Recreation, Water Supply Studied By Town Council

All members of council were present Monday evening for the special committee of the whole meeting held to discuss recreation and water supply. These two topics, being extensive in scope and complex in nature, was separately tabled by spokesmen who had previously circulated detailed reports.

Present for a 7:30 appointment was R. Curtis of the Department of Culture,

Youth and Recreation, Province of Alberta. Mr. Curtis described two proposals prepared by his department as a means by which St. Albert could obtain an assessment of its entire recreational board, program and facilities.

In Mr. Curtis' outlined plans, members of council found valid points to consider but questioned the need of a consultant at the approximate rate of \$1,000 per

month for about six months. The consultant's main function, according to Mr. Curtis' proposals, would be to study local recreational needs and assist in restructuring an updated program.

Councillor Bob Hudson asked if such a study could be done by town staff and volunteers? Mr. Curtis replied that the method would

Please Turn To Page 2.

No. 3 Teaching Staff Accepts 2 - Year Contract

Negotiations were successfully terminated last week between the St. Albert Public School Board and the Alberta Teachers' Association St. Albert Sub Local for a new wage package effective from January 1, 1973 until December 31, 1974.

In terms of dollars and cents, the two year wage contract will award the teaching staff of the St. Albert Public School System an increase of 14.8 per cent over two years. The percentage increase is computed in relation to the former contract

which terminated at the end of 1972.

According to the terms of the contract, the salary grid is separated into three phases, covering the two year period. The first phase covers all of 1973, the second phase covers the 1974 period from January to August 31 while the third phase

covers the remainder of 1974 from September 1 to December 31.

Negotiators representing the No. 3 School Board were Trustees Dave Fraser and Al Cannon. Negotiating on behalf of the ATA Sub-local were Arthur Perrott, Ray Blinette, Eric Denney and Bob O'Donnell.

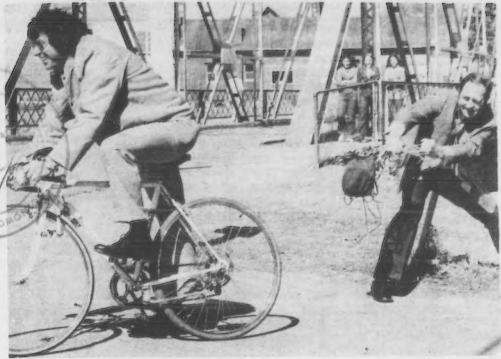

Public washrooms subject of report

Mr. Ken McAmmond, senior public health inspector, at the Sturgeon Health Unit is working with a group of his colleagues in northern Alberta on a report dealing with public washrooms in shopping malls and retail outlets. When completed the report will go to the secretary of the Provincial Board of Health and then to the director of Health Inspection Services, for study and review before it is presented to a Legislative Committee.

To date in Alberta health inspectors have been able to try and persuade developers to install public washrooms in shopping outlets, but have had no authority to enforce their recommendations. The persuasion method did not result in any action being taken (although public washrooms were recommended) when the new Grandin Mall was being planned. The same situation applies to others in Sherwood Park and Edmonton.

The health inspectors committee has done considerable research into legislation governing the situation in other parts of Canada, some by provincial and some by municipal legislation and bylaws. Public washroom facilities are required on the basis of so much washroom space per square foot of a shopping complex in some places, and according to so many square feet of parking in others. Still another regulation requires 30 square feet of washroom-laboratory space for every 300 customers which can be accommodated.

Mr. McAmmond said this week that his committee's report is expected to be completed in the near future.

You might wonder what this is all about? Well... It's Moe Gerwing of the Bank of Montreal training with all his might on a rope tied to Father Levange's bicycle. Further explanation boils right down to the fact that Moe Gerwing, chairman of the 'Money-Bag Crew' of banker cyclists just found out that Father '10-Speed' Levange will be riding Saturday in the Lions' Bike-a-thon for a price upwards of \$300 in total pledges. Moe 'Money-Bags' Gerwing is not exactly riding for peanuts either. At press time, the word was out that he too was cycling for top money. Anyway, as can be seen above, Moe won't take any chances. Starting time is 8 a.m. Saturday, May 5, Lions Park. Co-chairman John Kaminski and Fr. Jake Joly guarantee good cycling weather.

Snowmobile Study Team Hears Public Submissions

Although the snowmobile season is passed and everybody is getting ready for summer sports and holiday activities, the town-appointed special Snowmobile Committee held its public hearing in council chambers last Thursday evening and received six submissions along with very constructive talks on the highly volatile snowmobile subject.

Chairman of the Committee, Gordon Goodman and his two colleagues, Dr. Eldor Thomas and Sgt. Vernon Rheault received six written submissions, three of which were presented by spokesmen while three were

not. Spokesman for the St. Albert Safety Council was Eric Robinson while the other two submissions spoken to, came from W. Thiele and Wally Semotuk. The latter's submission was made on behalf of the St. Albert Snowmobile Association. Mr. Thiele spoke to his submission on his own behalf.

Mr. Robinson, speaking on behalf of the St. Albert Safety Council, advanced many interesting points regarding safety, lack of training of snowmobile operators and noise pollution. The Safety Council submission clearly indicated that it was

not in favor of snowmobiles operated on St. Albert's streets or on the Sturgeon River. This submission, however, recommended that special areas be designated for snowmobiles, such as trail parks located at a distance from town.

Mr. W. Thiele, speaking on his own behalf as one of the many citizens opposed to snowmobiles in St. Albert made it clear to the committee that he had no quarrel with operators of snowmobiles "as long as they keep their distance and don't create a disturbance to the

Lacrosse Association Set For Sat. - Sun. 'Kickoff'

The St. Albert Lacrosse Association is busy putting the final wraps on what they hope will be an outstanding weekend for lacrosse fans... and the club is looking

forward to making lacrosse fans out of many people who haven't had a look at the game yet.

The Canadian Airborne Parachute Team will make

a parachute jump into the field adjoining the arena with the accompaniment of the St. Albert Air Cadet band at six o'clock, Saturday, May 5, to complement the games that are going to take place in the arena later in the evening.

The line-up for the games is looking very good with the guest club of Royal Glenora putting up the opposition to the St. Albert club. Al McCann is going to do the play-by-play on the first game to take us through the intricacies of the game of lacrosse.

The draw for the side o' beef will take place during the two-day affair and the lucky winner will be able to plan a barbecuing summer.

The club sincerely hopes the residents of St. Albert will enjoy the program and turn out to make the two-day affair a big success.

Friends gathered around Father Volk to enjoy a chat and wish him well in his retirement, at a reception given April 25 in Villeneuve. Mrs. Glen Berry (left) and Mrs. Hepburn enjoy a joke while admiring Father Volk's 40th anniversary cake.

Water Supply

Continued from page 1.

probably prove to be too tedious and exacting for non-professionals.

Mayor Gibson asked if a study was indeed required in St. Albert to assess the recreational needs. Mr. Curtis replied that such a study would reveal "weaknesses" in St. Albert's present program "if there are weak areas."

Councillor Rod Thordson, who initially brought the recreation study to council months ago, reaffirmed his position by saying that St. Albert ought to have its recreation program, board and facilities studied by a consultant and assisted by citizens. Councillor Frank Lukay was not at all sure whether the whole recreation issue required study at this time and said that he would like to obtain guidelines and funds before going further on this issue.

Councillor John Bakker advanced the opinion that a new recreation board should be appointed. "Then, perhaps a consultant could be hired," Councillor Thordson did not agree, he said that he was of the opinion that a consultant should first be hired then his recommendations could be considered. Councillor Frank Lukay asked of town council was prepared to make a commitment in terms of a set mill rate for recreation? To this question secretary-treasurer R. Bowea was asked to research the recreation costs for 1972 in terms of mills and revealed that about 5 mills were spent on recreation last year.

Councillor Hudson began to lean toward the need of a consultant before a committee is created, however he felt that the committee structure, as described in Mr. Curtis' proposal was "top heavy with elected people." (2 councillors, 2

trustees). Councillor Hudson said that he would like to see 5 or 6 citizens on that committee.

Councillor Rod Thordson at this juncture made a motion that a firm of consultants be invited to assess the entire recreation situation in St. Albert, and report back to council with a view toward making a firm proposal. The motion was

Snowmobile

Continued from page 1.

peace and quiet of St. Albert residents."

In his submission, defending the snowmobiler's rights Wally Semotuk, spokesman for the St. Albert Snowmobile Association (presently under review) explained to the Committee the rights of snowmobilers in relation to the rights of other persons involved in sports.

"We are confident that if town council had not banned the Sturgeon River our membership," Mr. Semotuk said, "we would have been able to complete the winter season in a good financial state and we could have also shown St. Albert that snowmobiling can be operated in an acceptable way for everyone."

Mr. Semotuk elaborated in his submission, the need for the association members to use the Sturgeon River in order to reach acceptable areas in which to enjoy this sport, such as Big Lake and the such.

"We are not interested in retaining the use of St. Albert streets," Mr. Semotuk said, "in fact we would recommend is that we be provided with an unloading area along the Sturgeon."

Before the hearing was concluded, Chairman Gordon Goodman invited members of the gallery to participate. Mr. Jack Post, representing the Police Commission, congratulated the snowmobile committee and all those who brought in or mailed in submissions. He expressed the opinion that that was going to prove to be a very constructive hearing and may well lead to a satisfactory solution to the snowmobile issue. Other members of the gallery who voiced opinions, either for or against snowmobiling in St. Albert were Ron Perrott who eloquently

carried 5 - 2 with Mayor Gibson and Councillor Bakker opposing.

Mayor Gibson made a motion that bids be sought from consulting firms through advertising. This motion was carried unanimously. So was a motion by Councillor Bakker that an advisory committee be established comprising of one councillor, two trustees (one from each school system) and four citizens.

defended the snowmobiler's rights, Scott Frieze who summed up the issue very briefly:

"Two main points evolve from this hearing," Mr. Frieze said, "noise pollution and lack of safety." He went on to say that the Off-Highway Vehicle Act is a step in the right direction but amendments to this Act seem imperative. With a streamlined Act, Mr. Frieze said, and with government funds coming back to the snowmobilers, there is no reason to doubt that the snowmobile issue in St. Albert will be satisfactorily resolved. Mr. Frieze concluded by urging the people of St. Albert to get involved in the snowmobile question, submit recommendations and lobby the provincial government for funds with which to provide snowmobile parks in the area.

Mr. M. Prosko, present for his 9 o'clock appointment, consulting engineer with Stanley Associates, unveiled a draft water supply study from a voluminous report. The proposal gave council an idea of what the costs would be to augment St. Albert's water supply, using several alternate sources and routes.

On a motion by Councillor John Bakker, the committee meeting went behind closed doors to discuss future negotiation strategy.

Before adjourning the hearing, Chairman Gordon Goodman explained that his committee had been appointed to study the snowmobile issue, receive submissions assess all facets of the question, including terms for a workable bylaw, then report back to town council. He hinted that his committee's report will probably appear before town council sometime this month.

PUBLIC NOTICE

Re: Bylaw No. 12/73 to grant a franchise to Capital Cable TV Ltd. to provide a Communication Antenna Television System to serve part of the Town of St. Albert.

TAKE NOTICE that the Council of the Town of St. Albert in the Province of Alberta, has given first reading to Bylaw No. 12/73 which will, on final approval and ratification, authorize Council to confer a special franchise upon Capital Cable TV Ltd. for a term not in excess of 20 years to provide a community antenna television system for that area lying within the Town of St. Albert in accordance with the terms of an agreement that is incorporated in Bylaw 12/73 by reference. The proposed grantee of the franchise will operate its community antenna television system (CATV) according to the rules and regulations of the Canadian Radio-Television Commission or such other federal regulatory body as may have jurisdiction.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that unless a poll of the proprietary electors for and against the said Bylaw No. 12/73 is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

Proprietary elector means -

- (i) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- (ii) a person who is liable for the payment of a mobile unit license.

Five per cent (5%) of the proprietary electors may by petition request a vote on the Bylaw under the provisions of sections 311 and 7 of The Municipal Government Act.

1. The Petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
3. There shall be set out opposite each signature on the petition -
 - (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector.
 - (b) postal address of the petitioner.
 - (c) the occupation of the petitioner.
4. A corporation or a religious organization or an estate, the name of which appears on the last revised assessment roll, as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization or an estate.
5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
7. No name shall be removed from the petition after it has been received by the municipal secretary.
8. The date of the last publication of this Notice is May 2, 1973.

R. H. Bowen,
Town of St. Albert,
Churchill and Grandin,
Civic Centre,
St. Albert, Alberta.

NOTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the bylaw, a vote of the proprietary electors need not be held.

Announcement

MARCEL LABONTE

Mr. B. Montpetit, president and general manager of Bermond Development and Realty Ltd., takes pleasure in announcing the appointment of Marcel Labonte to his sales staff. Marcel brings to the company many years of business and sales experience and welcomes the opportunity to assist you in all your real estate needs. He can be contacted at - 459-7786 or Morinville - 256-3241.

The St. Albert Kinettes now have a beautiful challenge trophy to be used in conjunction with their annual Blood Donor Clinic. The trophy, donated by the St. Albert Kinsmen, will be 'up for grabs' by any local club contributing the greatest number of pints of blood during a blood donor clinic. Shown above at left is Jean Porter, Knette Blood Donor Clinic chairman; B-b Myrthue, Kin president presenting the trophy to Linda Stewart, Knette Service chairman and Fred Falk, Kinsmen Co-ordinator to the Knette Blood Donor Clinic. The next date to remember is May 22.

Kinsmen provide trophy For Kinettes Blood Drive

The Kinsmen are inviting all adult organizations, clubs and groups within St. Albert to compete for the Knette Blood Donor Trophy. Pledge cards are being sent with a letter to the various groups asking for their participation as individual club

members, as well as pledges from outside their club. The trophy, bearing the medical insignia and two figurines on top, signifying victory, will be presented to the club obtaining the highest percentage of pledges.

"Be a Bloody Good Kinsman" is the motto adopted by the National Kinsmen executive. Participation is the key in the Blood Blitz this year. Anyone who has needed a transfusion knows how thankful one was to the stronger who took that little time and effort to help save life. We never know when our need might arise - our tomorrow when we will be on the receiving end. We have the chance to be the giver. Let's take that chance now! Perhaps, one way to encourage us to meet this lifesaving need is by this challenge among our St. Albert clubs.

The clinic will be held Tuesday evening, May 22 at the St. Albert Community Hall, from 5 - 9 p.m. If your group was not contacted

by letter or if you require more information, please contact Fred Falk at 459-8055.

YUK

What is Operation Yuk? Come to Lions Park on Saturday, May 5th at 8:30 a.m. and find out for yourself.

St. Albert Cubs and Scouts are staging Operation Yuk for the benefit of our community. We'll give you a hint -- it's a kick-off project for an upcoming event to be sponsored by some of our local service clubs.

So come and see your cubs and scouts in action. See what the OUT in SCOUTing is all about!

Loose paper taboo please tie well

The guides and brownies wish to advise that due to a change in the purchasing policy of the salvage company, they can no longer accept loose paper. All paper taken to the site on the Roman Catholic Church grounds should be securely tied and bundled.

A permanent garage has been acquired as a paper depot at the same site, but

residents are requested not to bring paper during the week. The garage will be open from 9 a.m. until 5 p.m. on Saturdays and Sundays.

For any information please call Merle Vacirca at 459-7549.

The brownies and guides and their leaders are most grateful for the tremendous response of St. Albert people in their paper salvage project. The girls and their leaders have worked hard over the years, and the project, which started small, has grown steadily and provides needed funds for many activities in guiding.

They will certainly appreciate the co-operation of everyone in bringing paper tied in secure bundles. Residents can help the girls and get paper recycled as an anti-pollution effort at the same time, by taking a few minutes each week to bundle their waste paper securely and delivering it.

Concerned Citizens Respond To Learning Disability Meet Disability workshop

A record number of Sturgeon and St. Albert area residents appeared at Leo Nickerson School to hear a panel of school board members explain their board's positions opposite special

education. The panel members were: Mr. Ernie Howrish, St. Albert Public Catholic District #3; Mr. John McDonnell, Sturgeon District #24; Mr. Charles Schroeder, St. Albert Protestant

Separate District #6; Mrs. Alice Wojtkiw, Thibault District #35. Each panel member spoke for 15 to 20 minutes, then, when everyone was fortified with coffee, the discussion period began.

The chairman suggested as guidelines that the talks could answer the questions: 1. What services are currently provided? 2. What services are envisaged for the future? 3. How will provincial government programs be utilized?

The questions and answers flew thick and fast well through the normally allotted meeting time and were too numerous to be reported upon here.

Two highlights for this

reviewer in any case were, when Mrs. Wojtkiw's tremendous empathy for learning disabled children came through so clearly that the plucking of the heart strings was audible from all the mothers in the audience. A second highlight was Mr. Howrish's announcement of his board's decision to contract with the Child Development Centre for diagnostic and remedial consultation. This in the face of uncertainties with respect to government financial aid, District #3 deserves tremendous credit for its pioneering spirit for without such support the Child Development Centre will not be able to function and hundreds of children will suffer as a result.

The workshop for parents to help understand children with learning disabilities has been postponed until next September. The numbers of people expressing a willingness to participate in the program have been insufficient to carry out the program. Mrs. J. Silvius and Mr. D. Brammer, who were

to conduct the six evening sessions will be contacted as soon as school begins and plans made to operate a similar workshop at that time. Mr. W. D. Thomas wishes to express his appreciation to those who gave their support to the program which was planned for this spring.

The annual speech contest, sponsored by the ATA Local #66 came to another successful conclusion last week at St. Albert High. Each of the three finalists received plaques; Jocelyn Durocher, Gr. 12 student at St. Albert High; Trisha Rowe, Gr. 7 student at Lorne Akins and Dale Roy, Gr. 9 student at Father Jan. All other participants in the finals received medallions while all students who participated only in schools received scrolls.

RCMP officer retires - takes on new job

Staff Sergeant Wilf Reinbold has retired after serving 26 years and one month with the RCMP. Mr. Reinbold took over his new duties as preventive security officer for the Post Office, Alberta Unit, yesterday.

During his service with the mounties which started in Edmonton he was posted to St. Albert five times, four of them on relief assignments. On his first posting here, Wilf recalls that Neil Ross was mayor, Jack LeClerc the magistrate and Gene Perron and Bill Vanness were "just young fellows". That was in 1948 and St. Albert was a small town. Stan Hauptman had the hotel and young RCMP officers enjoyed "many a meal" prepared by Molly Hauptman.

He served in Athabasca and Stony Plain and went to Slave Lake in 1952 - his first detachment in charge. After two years he went to Camrose, then Andrew and

back to Edmonton. In 1964 he was posted as permanent staff to St. Albert and settled in his home here. From 1969 until his retirement, effective May 13, staff Sgt. Reinbold was with RCMP headquarters in Edmonton. He has been enjoying a month's holiday prior to starting in his new work.

Mr. Reinbold had a choice of three locations in post office security, but he and his family didn't want to leave St. Albert. "We all wanted to live here," he said. His new job will entail quite a bit of travelling throughout Alberta.

Wilf and his wife Marion have four children: Douglas, who was 18 Monday, Debbie, 16, Cindy 14 and Trudi, 11 years. They make their home on Gordon Crescent.

WEDNESDAY, MAY 2, 1973, ST. ALBERT & STURGEON GAZETTE - 5

PLAY BALL

Minor League Baseball Involves 350 Boys

Minor league baseball for the 1973 season gets under way Monday, May 7 with more than 350 boys participating.

Once again the hard working community minded Knights of Columbus and Lions Club will be sponsoring the little league program.

Chairman Gerry Samagalski and his staff have already put in considerable time with scheduling, buying equipment, getting coaches and enough umpires to make the season a success.

There will be three divisions, starting with Mosquito, Beaver and Bantam. A midget squad will also be formed but to date they are not in a league. A breakdown of each league is as follows:

playing against each other. All Mosquito games will be played Mondays and Wednesdays only.

Monday's games are as follows:

Oilers -- Apollos
Red Sox -- Lions
Totems -- Phillies
Eskimos -- Canucks
Mustangs -- Broncos

ends June 21. Cubs go against Orioles and Cardinals play the Twins.

MIDGET

There will be two midget teams this season with one playing in an Edmonton league. No schedule is available as yet, but will be put in the Gazette as soon as it comes in.

Lets all get out and watch some of the stars of the future.

Winning coaches are asked to phone in the scores immediately following each game to Mrs. Wilma Turkington at 459-6231 so that statistics can be released to the Gazette each week.

BEAVER

There will be six teams in this division with games played every Tuesday and Thursday. Tuesday's scheduling has Mets -- Giants, Dodgers -- Pirates and Angels -- Braves.

BANTAM

The four team bantam league plays Tuesdays and Thursdays also in a 14 game schedule which gets under way Tuesday, May 8 and

STILL A FEW VACANCIES

MOSQUITO

This will be the largest division with 10 teams taking part. To date the schedule is made up for May only. At the end (six games) the top five teams will go into A division while the bottom five going to B. Both divisions will then play against themselves and the two winners will meet for the championship at the end of the season.

The A and B set was planned in an effort to have teams of the same calibre

Rene Brodeur Comet president (centre), all smiles as he stands between Al Laplante (left) and Zane Jakubec, Jakubec won the most valuable player award for the past season and Al Laplante the 1971-72 winner.

Senior Hockey Popular Drake Tells Comet Banquet

St. Albert Willowbrook Comets ended a very successful hockey season Friday, with their annual banquet and awards night at the Purple Dude.

Assistant coach Al Laplante managed to get Clare Drake of the U of A as guest speaker and Maury Banks as master of ceremonies. Both proved very capable speakers and came out with some excellent stories. Other head table guests were Dolly Drake and Lorraine Banks, Al and Pat Laplante, Rene and Cec Brodeur, Dave and Joan Lewis, Rudy and Alice Schiebelhofer, Stan and Carol Peck.

Guest speaker Clare Drake congratulated the Comets on a most successful season and spoke of the popularity that senior hockey is gaining in Alberta.

"The Comets come from behind win over Jasper Royals in St. Albert was the most gratifying moment I have ever personally felt from sport," said Rudy Schiebelhofer of Willowbrook Homes, sponsor of

the team. He was extremely proud of each and every member of the team for the way they handled themselves both on and off the ice.

Perhaps his most important words were that he would again sponsor the Comets next season. With a sponsor like Rudy the Comets are already off to a good start next season, that just might conclude with the Alberta Intermediate A crown.

President Rene Brodeur gave thanks to all players for helping to make this a most memorable season.

League president Stan Peck also offered congratulations to the Comets for their part in making the Edmonton Central Hockey League one of the best intermediate A leagues in Alberta.

One of its other members, Westlock Eagles, captured the Intermediate B championship after losing to the Comets in A action.

The highlight of the evening was the presentation of team trophies. The most valuable player award went to goalie Zane Jakubec who had some excellent games

during the season, 1971 winner was Al Laplante.

Henry Hodgson captured the top scorer award. Jim Read was last year's winner. The best defensive player went to captain John Arnot. Brian Stevens won the award last year.

Social convener Wally Monson presented a recliner chair to trainer Ian Knudsen for the hard work he contributed to the club throughout the year.

Dancing till the small hours concluded a great evening for the senior hockey players and their guests.

24 HOUR EMERGENCY CALLS

Jim Vorvynck, left, Ray Stelte and Harvey Stelte line up with their skip Roger Comeau to accept the Simpson Sears trophy for the Mens Club Champion from St. Albert Curling Club president, Maurice Hill. Trophy presentations followed the banquet held at Club Mocombo Friday evening.

Sponsor Casey Anderson, right, presents the President's trophy to Ray Osborne and his rink, Bud Niven, left, Red Spencer and Don McLeod, at the curling banquet April 27.

Awards night festivities enjoyed by curling crowd

A large crowd of curlers and guests attended the St. Albert Curling Club annual banquet and awards night held Friday evening at Club Mocombo.

The S and S master of ceremonies, Bob Hudson got the program going with an impressive collection of funny stories, before calling on Kay Carmichael, president of the Ladies Club, for the first presentation. The Shirley Fisher rink were three-time winners as Club Champion, Tuesday A league, and Thursday A winners.

The Roger Comeau foursome were double winners, receiving a huge cup as Club Champions and the very beautiful B/C/M trophy for winning the Mens Club Champions playdowns in the city.

Directors of the club were introduced: Bruce York, Jack Jefferies, Gordon McIndoe, Gerry Hodgins, Kurt Schlinkinger, Maurice Hill, Kevin Byrne, Hector Gervais and Ray Osborne.

Casey Anderson presented the Presidents trophy to the Ray Osborne rink, overall Mens Club Champions.

Hec Gervais presented the Veness trophy for mixed curling supremacy to Quintals - Hudsons quartette, accepted by Pat Hudson. The Quintals were out of town but emcee Bob Hudson modestly pointed out that the rink had won this trophy for the third time in four years.

Quintals and Hudson also won the Wednesday mixed league trophy. Other mixed

curling trophies were presented to the Vic Krushel rink, Saturday A league; the Bob MacGregor rink, Saturday B; and the Roy Sherbourne rink - Sunday league.

M.C. Hudson announced the Club's Zone winners this year: Lorne Brothen's quartette, senior zone and the Tom Reid rink - mens consul winners.

Awards following in the mens square draw section: Barry Weaver's rink, Mens B; Lawrence Kluthe, Mens C; Larry Gaulin rink, Mens D winners.

The Jackie Evans rink received the trophy for Ladies league high standing.

Ray Kremer, ice maker for the club, was introduced and drew a tremendous hand from the crowd, as did his wife Laurie, "who runs the best concession in the area" said Bob.

Mr. Hudson also introduced Al McCormack, "a man with the biggest responsibility to the club, who has contributed so much to the healthy progress of the club," and his wife Vi.

Al Williams, president of the NACA who opened the Brier in the style of the 'Star of Swan Lake' was congratulated on his marvellous job on the Brier this year.

Mr. Hudson also pointed out that the St. Albert club brought home the T. Eaton Trophy this year - only the second year they had a chance at it.

Mayor Ray Gibbon brought greetings from the town and said he was "delighted we have the club we do - in 1965 it was almost padlocked.

It's a fantastic club and I hope we can set another six sheets beside it."

Mr. Hudson noted that Al Mitchell's rink had represented Alberta in the Dominion Postal playdowns and won third place with eight wins and two losses.

Jack Jefferies made presentations to "awilling worker who has behind him a wife who helps out." He said that this year under President Maurice Hill the St. Albert Club had surpassed all records - more curlers - more revenue - more awards! Maurice received an engraved clock and Lois a lovely bouquet of roses.

In calling on Hector's mother to make a draw, Mr. Hudson reminded the audience that St. Albert now has a street named "Gervais" in honour of Hec's father Armand. "And Hec's bad out-turn - the road has one," Mrs. Mabel Gervais drew Shirley Parkins ticket for a black and white television set.

Jimmy Flynn drew the ticket on a colour television - Mrs. Chris Alkens of Edmonton, and MLA Ernie Jamison, "master of the skin movies" (said Bob) - drew Bob MacGregor's name on a Texas prize.

Then it was on with the dance, as the curlers rounded out a big evening in high-stepping style. We learned that an S and S master of ceremonies is a short and sexy one. Imagine that - plus all Bob's talents as an extremely witty and charming emcee!

The Comets leading scorer Henry Hodgson (left) received the S & W Trail Service Trophy. Jim Read (right) was last year's winner while Stan Wasikiewicz of S and W looks on.

Comet captain John Arnot (left) presented gifts to President Rene Brodeur and Manager Dave Lewis (right) at the annual awards banquet at the Purple Dude last Friday.

Rene Pouliot (centre) presented the best defensive player award to John Arnot (left) and Brian Stevens who won the award last year.

Get In The Swim Of Things Pool To Open May 19th

An advertisement in this issue contains information about season tickets and the admission fees to the pool which is scheduled to open on Saturday, May 19.

The schedule of activities will be published shortly and it will be basically the same as in previous years. New residents may be interested to know that every endeavour is made to accommodate as many different age groups and categories as possible. There are therefore public, teen, adult and family sessions included in the "curriculum" which is always subject to adjustment, depending on attendance, etc, and something new is often added. For instance, for the past two years an hour has been set aside on Sunday evenings for people with scuba equipment which, of course, they are unable to use in the pool at any other time. Last year a "Kiddies Carnival" was introduced on Saturday mornings which proved very popular and occasionally opportunities are given to those people who want to test their stamina in trying the "Mile Swim". As St. Albert is very much a family town, there are at least four sessions for families only scheduled each week during July and August

and usually two each week during June. These sessions have proved very acceptable - especially to families where there are children too small or too young to swim during public swimming or where children are just a little apprehensive of the water.

During school hours the pool is available to the schools under the terms of the Joint Use Agreement and the policy adopted by the school boards when the pool opened in 1967 allows many students to have the opportunity to learn to swim. This policy and the regular Red Cross and RLSS classes

means that there is little excuse for anyone in St. Albert not being completely at home in the water. The regular Red Cross classes run in two-week sessions and all levels of instruction for all ages are offered from adults down to pre-schoolers who learn with their mums and dads.

The foregoing outline is intended to acquaint newcomers especially with what to expect from the pool schedule. It has evolved over the years, is subject to change and additions but the aim is always to cater to as many people as possible.

Youth Bowlers Banquet Set

A wind-up banquet for young people in the St. Albert Youth Bowlers program will be held on Saturday, May 5, at 12 noon in St. Albert Community Hall.

One hundred and seventy-five youngsters took part in the program this season, which has been a great success. The young bowlers and the management at Grandin Bowl have enjoyed fine support from many parents who

volunteered their services, along with supervisors Kim Popoff, Rick Schuchard and Al Cousins. Head-supervisor Ken Ahronson was outstanding.

The young people brought home a number of championships from outside competitions, indicating a healthy competitive spirit through the season, and trophy presentations will follow the banquet.

PLAYERS IN THE JUNIOR CLASS IN ACTION

Tennis Season Launched

The 1973 tennis season is officially underway in St. Albert with the start of lessons on the Mission Park courts. Once again there is an enthusiastic group involved in lessons - 130 Juniors and 80 adults, and all classes are fully booked. Due to limited court space, all who wished to take lessons could not be accommodated, but it is hoped this problem will be somewhat alleviated in future with the opening of three new courts on Sunset Boulevard to take place early this summer.

The tennis lessons, co-sponsored by the St. Albert Tennis Club and the parks and recreation department of the town will continue until mid-June and take place from 4:15 - 5:15 p.m. Monday and Wednesday, 9:30 - 11:30 a.m., 4:15 - 5:15 and 6:30 - 8:30 p.m., Thursday; 6:30 - 7:30 p.m. Friday, and 9:30 - 11:30 a.m. Saturday. With schools using the courts a considerable amount on week days and the tennis club using the courts Monday and Wednesday evenings and Sunday

afternoon, casual players should note that the most opportune time to "have a hit" will be Tuesday afternoon or evening. Friday afternoon or evening (after 7:30 p.m.), Saturday afternoon and evening and Sunday morning and evening. By mid-June the lessons will be completed, the school use of courts will be nearly completed and with the tentative completion of the three new Sunset courts at this time, there should be plenty of court space for the many enthusiasts.

Local Rinks Win At Yellowknife

Two local rinks placed second and third in the main event of the 'Largest Bongspiel north of the 60th parallel,' held in Yellowknife over the Easter weekend.

Both the Roger Comeau and the Gervais rinks met their downfall at the last rock against Gil Myler's Granite foursome. Playing with Roger were Harvey Stelle, 3rd, Jim Vervynk, 2nd and Ray Stelle, lead. Hector had Tommy Nuttall, Casey Anderson and Chuck Moyer.

The Comeau rink, sponsored by Gateway Building Supplies, won muskrat parkas, handicrafted in Aklavik and the Gervais rink brought

home Wilson golf clubs, Northwood Airlines Ltd. sponsored the Gervais rink in the Yellowknife Sportsmen's Bongspiel.

Grosvenor Park Swimming Pool Admission Fees

1973

SEASON TICKETS

	Town Residents	Non-Residents	Single Admissions
Family	\$36.00	\$45.00	
Adult	\$14.50	\$18.00	75 cents
Student (13 - 17)	\$12.00	\$15.00	35 cents
Child (12 & Under)	\$ 8.50	\$10.00	25 cents

The Swimming Pool is scheduled to open on May 19. Applications for season tickets are available at the Town Hall and when completed should be returned along with cash, money order or cheque (payable to the "Town of St. Albert").

Family season tickets may also be purchased by special arrangement through the water and sewer billing. Applications under these conditions must be received no later than May 18.

APPLICATIONS FOR ALL TICKETS REQUIRED FOR OPENING OF POOL MUST BE RECEIVED AT THE TOWN HALL NO LATER THAN 5 P.M. ON MAY 16

For further information phone the Department of Parks and Recreation at 599-6601.

Soccer Program Ready

The start of the local league soccer season has been postponed one week, however, the full program will get under way Monday, May 7 with game number 3.

The 'league' still requires some coaches and parents who are willing to volunteer for the supervision of the boys. All help will be greatly appreciated. Please phone - 459-8081.

NOTICE OF HEARING

RE:

THE NEW TOWN OF GRANDE CACHE

The Public Inquiries Act

NOTICE is hereby given that the Commission appointed by the Lieutenant-Governor-in-Council, pursuant to The Public Inquiries Act, to investigate the history and circumstances of the establishment and development of the New Town of Grande Cache will hold public hearings, opening as follows:

at GRANDE CACHE, in the Court Room, Provincial Building, commencing Tuesday, May 29th, at 9:30 a.m.

at EDMONTON, in the Law Courts, commencing Monday, June 11th, at 9:30 a.m.

The matters to be investigated are to:

1. Ascertain any undertaking, commitment, or representation given by the previous or present government administrations to any company, group, association or person which could involve a continuing responsibility for public funds upon the Alberta Government;
2. Determine the extent of the representations or undertakings made by McIntyre Porcupine Mines Ltd. to any employee or group of employees as to long term employment security or any other representations or undertakings made by the company, either to employees, to the citizens of the community, or to the Government;
3. Determine the economic viability of the operation of McIntyre Porcupine Mines Ltd. and of the community itself, and make recommendations as to steps which could be taken to strengthen such economic viability— which should include a review of the pricing provisions of contracts for the sale of coal, the cost of production and a review of the reports supporting management's decision to make major changes in policies affecting production;
4. Review the actions taken to date by both the previous and present government administrations in providing support and public funds for this community and to recommend to the Government alternative courses for future government policy and programs for this community.

All persons or organizations desirous of making submissions or representations are urged to be prepared by the above dates in order they, their agents or counsel, may be ready to proceed when called upon. Every effort will be made to meet the convenience of persons interested.

All such persons and organizations are requested to communicate with Mr. W. A. Stevenson, Commission Counsel, at Ste. 202, 11111-87 Avenue, Edmonton, Alberta, or telephone 439-3991 as soon as possible and advise him of the general nature of the evidence to be submitted.

DATED this 16th day of April, 1973.

N. R. CRUMP,
Chief Commissioner
T. H. PATCHING,
D. GRAHAM,
Commissioners

AROUND TOWN

Henry and Joyce Goureaux of Sorol, Crescent have returned from a three-week trip to Spain and report a wonderful holiday. They were there for part of Hilly Week and some marvellous parades. Lemons and oranges were ready to pick and they visited many points steeped in history. Weather was sunny and warm in Madrid and Costa del Sol, where they spent quite a bit of their vacation. "We just loved it," reports Joyce.

Saturday A Mixed winners with their trophies are skip Vic Krushell, left, his wife, Donna, third, lead Dianne Proctor and Tom Proctor, at the curling club banquet held April 27.

Delegations make appeal for No. 3 S.D. backing

At the April 18 meeting of the St. Albert Public School Board saw two separate delegations appear before the board in quest of assistance. The first delegation represented the St. Albert Kindergarten Society and presented a prepared report requesting advice and assistance toward obtaining an early education operation grant from the provincial government. Spokesman for the delegation made an appeal for professional assistance from the school board and pointed out that the kindergarten program requires assistance in many areas

and would welcome help from the board.

Later during the meeting, when the board was dealing with the Superintendent's Report, Mr. Vince Maloney referred to the kindergarten delegation and recommended that assistance be extended. However, Mr. Maloney explained to the board that the teaching staff's present work load was such whereby assistance toward the kindergarten program would have to be compatible with the amount of time available. Chairman E. Howrlish moved that the recommendation be approved. The vote

in favor was unanimous.

The second delegation came from the French Bilingual Committee. The two representatives were Emile Cole and Archie Broughton, who tabled a letter with the board outlining recommendations which, in their view, required study and consideration.

When the board reached that portion of the agenda which deals primarily with new business, Trustee Dave Fraser made a motion that the French Committee (Bilingual) of the No. 3 Board be disbanded. The motion was carried 5 - 0. Trustee Fraser then recommended that school staff proceed with the documentation of information on the French Bilingual Committee with a view of forming a new committee.

Before going to other new business, Board Chairman E. Howrlish made a motion which received unanimous consent that a public meeting be called, before June 15 to examine the feasibility of a French Bilingual Language program.

Trustee Sylvia Walsh, after the issue of Farmer's Day had been discussed, moved that that holiday not be observed and therefore be considered a regular school day. To this motion, regarding the June 8 holiday, the entire board voted in favor.

In his report, Business Administrator Ted Baldwin gave a brief resume of the various school sites visited,

reported that landscaping operations at Albert LaCombe High School would start soon as weather permits and exterior painting of Father Jan, Vital Grandin and St. Albert High would amount to \$5,284. On a motion by Trustee Al Gannon, it was unanimously approved that the painting projects as outlined by Mr. Baldwin be proceeded with soon as possible.

AROUND TOWN

Sturgeon Valley Golf and Country Club Ladies Club will be starting their season on May 1st and every Tuesday thereafter from 9 to 9:30 a.m. and 6 p.m. for business girls. Our Spring tournament will be a two ball foursome which will be played on May 12 at 4 p.m. Anyone wishing to play please contact Bernice Cook at 459-7392 by the 8th of May. New members welcome.

Announcement

ANGELA SONNTAG

Mr. B. L. Montpelt, president and general manager of Bermont Realty takes pleasure in announcing the appointment of Mrs. Angela Sonntag who has successfully completed the Real Estate Course given by the Edmonton Real Estate Board as a member of his Sales Staff. Angela can be contacted at her home number 459-6884 or office - 459-7786.

Intern conference to be held at Paul Kane

The new Paul Kane High School will be the centre for a conference on Saturday, May 5. Mrs. Muriel Martin, assistant superintendent of St. Albert Protestant Separate School District #6, will chair the conference for teaching interns co-operating teachers and school administrators. The

conference will include Edmonton and the surrounding areas as far away as Edson, Barrhead, and Wetaskiwin. The discussions of the two panels and the small groups will centre around the question "What are the roles of the intern, the co-operating teacher and the principal in internship?" It is

expected that between one and two hundred people will attend. The conference is designed to provide an exchange of ideas between teachers, interns, administrators and school boards.

Many school jurisdictions provide opportunity for students from the university who have completed their teaching training to have additional experience in schools during May and June of each school year. The intern is under the direction of an experienced classroom teacher who assists the intern by providing useful and practical experience. The intern observes classes, assists individual students, helps with marking and filling out forms, and toward the end of the session teaches classes. The internship program is encouraged by the Department of Education which provides some funds for the program, by the ATA which helps organize the conferences, and by the local school jurisdiction which provides the opportunities and further financial help.

Historical Society Meet To Discuss New Projects

The St. Albert Historical Society will hold its first general meeting in the Music Room of Leo Nickerson School on Thursday, May 10 at 8 p.m.

The meeting will open with a brief informative session to discuss three projects that the Society will be undertaking in the coming year. These are the taping of interviews with pioneer families in the area, the collection of photos of the early St. Albert settlement, and participation in the

Kinsmen Rodeo this year.

Following this, Miss Gladys Reeves of Edmonton will give a slide presentation from photos of the Ernest Brown collection. These slides will show development in Alberta from the Indian to about 1916 and include pictures of early homestead buildings and the first drawings of Edmonton.

Coffee and refreshments will be served. All members of the Society are invited to attend and memberships in the Society will be available - so bring a friend,

ST. ALBERT RECREATION HIGHLIGHTS

SWIMMING POOL:

A separate advertisement gives details of the cost of admission to the pool either by season ticket or single admission fee and an outline of the schedule is contained in an article elsewhere in this issue.

FAMILY CAMPING:

Phone Mrs. Brige at 459-8290 or Mrs. Kay at 459-7488 for information about the St. Albert 69'ers Family Camping Club. Immediate future plans include two camping weekends: the first on May 12 and 13 at the Klondyke Trailer Park and the second on May 19, 20 and 21 at the Vermilion Provincial Park. Very attractive programs have been

arranged for both weekends and anyone wishing to participate is invited to phone either of the two telephone numbers mentioned above.

SQUARE DANCING:

The St. Albert Saints and Sinners will be holding their wind-up dance of the season on Saturday, May 5 in Sir Alexandra Mackenzie School. Anyone interested in square dancing - whether as beginners or "old hands" should phone Mrs. Terrault at 459-6895 for information about our local group which will be going into action again in the fall. Square dancing is fun and for newcomers especially, it's a wonderful way of getting to know people.

ceremony for Volunteens graduation

A march-in of 43 girls, their instructors and guest speakers, opened the third annual graduation ceremonies for hospital Volunteens, arranged Monday evening in Simpson school by the Sturgeon General Hospital Auxiliary. Music was by Mrs. Mitchell, who also provided background music during the program.

Peggy Fairfield, co-

ordinator of the volunteer program here, welcomed the girls, their parents, friends and guests, and introduced Mr. C. F. Keyes as first speaker. The administrator commended the girls on their work in the hospital, and told them that patients often thank him for services done by volunteers.

Judy Andrews, in charge of the Red Cross Volunteer

program in Edmonton area, described an upcoming nurses assistants course for volunteer grade, for which the date has not yet been set. Dottie Bennett spoke on behalf of the Director of Nursing, Mrs. Fleck, who was unable to attend, and Kathy Parry was valedictorian. She gave an interesting and amusing talk on the experiences of volunteers

in their work.

Instruction in the six-week course just completed was given by Fiona Fraser, Dottie Bennett, Judy Andrew, Charmaine Ramer and Sheila Prakash and Peggy Fairfield, who noted in an interview that candidates require a mark of 75 to pass the examination given at the end of the course.

The girls are now prepared for volunteer assistance on hospital wards in such areas as helping take patients to x-ray and labs, filling medical records, making beds and giving sponge baths, assisting with meal trays and a variety of duties on all the wards. They have new uniforms, for which the hospital provided material and which they made themselves this year.

100-hour pins were awarded during the exercises to 19 volunteers who graduated last June, and have since served 100 hours or more. Kathy Parry has 210 hours to her credit and many of the girls have well over the minimum.

Following presentation of crests to the graduates, Shirley McCutty, auxiliary president, welcomed the members who have enjoyed working with volunteers.

Graduates are eligible for the Red Cross Nurses Assistants course which the Sturgeon Auxiliary will be sponsoring soon. It is also of six week's duration and Peggy Fairfield and Judy

Andrews have had some advance training for co-ordinating the course.

This years graduates are Jenny Bakker, Kim Ballantine, Debbie Blisten, Debbie Byers, Rosemary Commandeur, Dawn Cowie, Edna DeChamplain, Robin Foreman, Jan Goodman, Donna Gordic, Karen Harkness, Cathy Hentig, Karen Hoosler, Lynne Howie, Edith Hunt, Carole Hutton, Lauriane Joy, Linda Malar, Melodie McGunigle, Carison.

Pauline Provencal, Janice Scammell, Heather Sturges, Anna Worotmann.

100 Hour pins were awarded to Gail Meaman, Sherry Kane, Sharon Boehm, Bev Johnson, Suzanne Jewitt, Shelley Bessett, Grace Hymeyer, Kathy Parry, Kim Smith, Susan Tjolum, Elsie Tappauf, Patricia Worsseman, Terri Varnor, Trish Younger, Jamie Blacklaw, Sandra Yeats, Auril Bradley, Marg Birrows, Jackie ear, Melodie McGunigle, Carison.

The following Sturgeon General Hospital 'Volunteens' graduated April 30 and ceremonies were held at Sir George Simpson School. Back row, left to right, Anna Worotmann, Kim Ballantine, Jan Goodman, Robin Foreman, Debbie Blisten, Karen Harkness, Heather Sturges and Pauline Provencal. Middle row, left to right: Lynne Howie, Debbie Byers, Rosemary Commandeur, Beth Keyes, Donna Gordic, Cathy Hentig and Janice Scammell. Front row, left to right, Karen Hoosler, Dawn Cowie, Edith Hunt, Carole Hutton and Jenny Bakker. Missing: Edna DeChamplain, Lauriane Joy, Linda Malar, Melodie McGunigle.

C of C Members To Hear 'Chuck' Holloway May 8

C. F. Holloway, Alberta Manager of the Canadian Chamber of Commerce and manager of the Alberta Chamber will be the guest speaker at the May 8 St. Albert and District Chamber of Commerce general meeting.

Chamber members and guests will attend the May 8 meeting in the Legion Hall where refreshments will be served at 7:30 and the meeting is scheduled to start at 8 p.m.

In view of the important message Mr. Holloway will be bringing to St. Albert C of C members, the entire agenda that evening will be devoted to a film on Chamber of Commerce and the

community, followed by a talk by Mr. Holloway. This will be followed by an open question period. Immediately after the meeting has been adjourned, coffee and doughnuts will be served.

Mr. Holloway was born and educated in Hamilton, Ontario - C. F. (Chuck) Holloway joined the staff of The Canadian Chamber of Commerce on February 1, 1972, serving as Field Representative for the Provinces of Alberta and British Columbia - until his appointment in October 1972 as Alberta Manager - The Canadian Chamber of Commerce and Manager of the Alberta Chamber of Commerce.

A resident of the lower Mainland of B.C. for the past 17 years, he comes to the Chamber from Coquitlam where he was salesman for an advertising firm. Mr. Holloway has been active in local affairs. He is past-president of the Coquitlam Chamber of Commerce and has served in positions with the Optimist Club of New Westminster and on the Board of the Pacific Northwest District of Optimist International. He also was a member of the Coquitlam Industrial Development Committee. Mr. Holloway is married and has a son and a daughter.

Supper Lion President Dick Eyley and Zone Chairman Ken Moore have just sold Mayor Ray Gibbon the first ticket on an \$800 boat and motor. Draw for the 21 foot aluminum fishing boat and motor will be made June 17 during the Kinsmen Rodeo weekend. Funds realized from this ticket sale will go toward community projects. Tickets are available from any merchant on The Mall or any member of the Supper Lions Club.

Creative writing course to be offered locally

A creative writing workshop will be given locally under the joint sponsorship of the St. Albert Public Library and the St. Albert Cultural Co-ordinating Committee. The 10-week course will be held in the meeting room of the library on Wednesday evenings commencing May 16. Registration for this workshop is open to all interested persons in the area. The fee for the course is \$20 per person.

Such courses are offered across the country by members of the Canadian Authors Association. The local course will be given by Mrs. Margaret Johnson, an executive member of the Alberta Division. Mrs. Johnson has taught creative writing for over nine years for the Adult Education Division of the Edmonton Public School System. In addition, Mrs. Johnson is the author of articles, short stories, and a book and has served as

judge of the Edmonton Journal Literary Awards competition for the past three years.

Mrs. Johnson has also been connected creatively with The Alberta Golden Jubilee Anthology, Chinook Arch, and Alberta - A Natural History. At present she is the workshop supervisor, Alberta division, Canadian Authors Association.

This workshop will be an excellent opportunity for those who have written previously, or have always wanted to try, to obtain some sound instruction and criticism close to home. Anyone interested in knowing more about the course can phone Mrs. Lefebvre at 459-7030 for further details.

Application forms and information are now available at the St. Albert Public Library. Enrollment will be limited so early application is advised.

Littercheck Drive Aimed At Town Cleanup

This past Monday, April 30th marked the beginning of the Littercheck Campaign in St. Albert; it is to run through until Saturday, May 6. The Littercheck campaign is a province-wide endeavor, sponsored by Outdoors Unlimited in co-operation with Alberta Environment. Groups, schools, clubs and individuals are urged to mobilize themselves for cleanup projects during this week.

In St. Albert itself, one girl guide company has undertaken the task of cleaning up both sides of the road near the veteran's memorial while one class of students at Albert Lacombe have begun to save the paper used in the classroom for recycling. You, as an individual can also do your part. Your old papers can be deposited at the paper bin located behind the Roman Catholic Church (also sponsored by the girl guides), old magazines can be donated to the Senior Citizens Club or the hospital and your old pop and liquor containers can be returned to Ross's Bottle Depot.

This week would also be

a good time to get going on all the clean-up chores around your own home. So, from April 30 to May 6 why not get involved and clean-up Alberta - its highways, its parks, school yards, streets and your own backyard.

For further information in regards to the Littercheck Campaign please phone Cathy Hainsworth at 459-8786.

Pat Kane To Open Exclusive Livestock & Pet Supply Outlet

Pat Edward Kane is all set for his opening day Saturday, May 5 at 137 Sturgeon Shopping Plaza. Pat's Livestock and Pet Supplies Ltd. will have lots of free coffee, doughnuts and will also give away many valuable door prizes Saturday, starting at 10 a.m.

A new commercial outlet will open for business May 5 which will surely please farmers, cattlemen, stable operators and even citizens of the area who own household pets. Pat's Livestock and Pet Supplies Ltd., at 137 Sturgeon Shopping Centre offers a complete line of animal health products, supplies and specialty equipment.

Pat Edward Kane, a distinguished young man who has lived in St. Albert for 14 years, comes well qualified to his new venture. Pat attended school at St. George Simpson, St. Alexander Mackenzie and graduated from Paul Kane High

in 1967. To further his education, Pat attended the University of Alberta and graduated last year with a Bachelor of Education.

While pursuing his studies, Pat worked for veterinarian firms in Edmonton and logged over two and a half years' experience in that line. On Saturday, May 5th, Pat will be all set to meet his public. Complementing Pat on opening day will be various commercial firm representatives on hand to discuss their products.

Pat Kane got the idea to open a livestock and pet

supply outlet here in St. Albert a few years ago when he realized that farmers and stockmen in this region had many miles to travel to obtain livestock supplies.

"When a farmer or a householder has a sick animal, the right medicine or injection is often a matter of life or death," Pat says, "and immediate supply of this vital ingredient is a must." It was on this premise that he got the idea to initiate such an outlet in St. Albert, thus serve not only the townspeople but the huge area to the northwest hundreds of farmers and stockmen operate their livestock

businesses.

Pat's Livestock and Pet Supplies Ltd. operates under three licenses, obtained from the Town of St. Albert to carry on his business, a Provincial license to supply drugs and stock through mail orders as well as another license covering the sale of drugs on a retail basis.

Besides carrying a complete line of animal health products including supplies, instruments, injectables and solubles, Pat's Livestock and Pet Supplies Ltd. will

carry a wide array of pet supplies, animal models ideal for the home, office or den plus fertilizers, garden supplies and even knives for farmers, stockmen and sportsmen.

Pat's store occupies about 1,000 square feet of floor space in the recently completed Sturgeon Shopping Plaza. This space will be devoted to ample display area, office and stockroom along with refrigerated storage space for drug supplies.

Initially, Pat will operate his store by himself but plans to employ occasional help soon after his opening day. Business hours for the time being will be from 10 a.m. until 9 p.m. An emergency phone number will also be posted up on his front door, thereby offering his services on a 24-hour-a-day basis, seven days a week.

"Animals are not unlike people," says Pat, "they too have the quaint habit of becoming ill at any time, there-

fore, I have to be ready to extend my services when needed."

Pat Kane offers coffee, doughnuts and door prizes on opening day May 5 and extends a cordial invitation to everyone in this region to pay him a visit and get acquainted.

AROUND TOWN

A full house at St. Albert Community Hall had a great time at the Fun Fest put on by the Ladies Auxiliary to the Royal Canadian Legion Friday night and the crowd just loved the music by Ole Kendel and his Bluetones. The Auxiliary has already arranged for a similar evening, and booked the hall for October 13.

A beautiful cake in the design of an old family bible lying open with gilt-edge pages was decorated by Mrs. Leo Gerling of St. Albert, and received many praises for its artistry at the reception held at Villeneuve April 25th for Father Martin Volk on the occasion of celebrating his 40th anniversary in the priesthood. Mrs. Gerling is a cousin of Miss Ell, rectory housekeeper for St. Peter's Church in Villeneuve.

Owner of Pat's Livestock and Pet Supplies Ltd., Pat Kane stands amid one of his displays of livestock and pet health products. In the background can be seen a display of medical instruments.

Cadets making plans—Summer camp

A new awareness of nature and a greater appreciation for preserving all forms of plant and animal life are in store for a special group of

young men from Alberta and parts of British Columbia this summer. Camp Wright, a 5,000-sq. mile tract of near virgin

territory 85 miles north of Edmonton, will host 80 Royal Canadian Air Cadets during the months of July and August including St. Albert's 533 Squadron. They will not only study the great outdoors, but they will be taught survival techniques, and how to cope with life without the benefit of their normal cozy surroundings.

Courses will also be designed to include leadership and citizenship training. Water safety and cross-country navigation, tenting and first aid will round out the program. The commanding officer of the camp will be Major R.E. Bracken, Thornbury, Ont.

Art Skinner, Edmonton, an executive member of the Alberta Committee of the Air Cadet League of Canada and league co-ordinator for Camp Wright, believes young men should, particularly from urban areas, be exposed to outdoor living early in life.

"There is a lot of talk nowadays about saving our ecology," he said, "how can our youth really appreciate what he hears unless he meets the problem face to

face?"

Mr. Skinner, a former bushman, trapper and game guide, is also looking forward to Camp Wright as a practical answer to encouraging young fellows to realize the value of placing emphasis on developing strong spirits, minds and bodies.

"After spending two weeks at camp, with its challenging hills, streams, lakes, bush, swamp and thickly forested areas, I'll guarantee they will be better for the experience," he added.

Camp Wright will be officially opened June 16 by Brigadier-General Kenneth C. Left, Chief of Staff of the Canadian Armed Forces Training Command Headquarters in Winnipeg. Several civilian dignitaries, including Alberta's Lieutenant Governor and Premier, have also been invited to attend. Members of 230 Royal Canadian Air Cadet Squadron in Athabasca, as well as parents and interested citizens in the area, started construction of the campsite about four years ago. Since last year nearly \$10,000 in cash equipment has been donated by Edmonton businessmen.

The camp was named in honour of Dr. Wright of Athabasca, who was killed in an aircraft accident some years ago. He was instrumental in the organization of 230 Squadron.

Pollution... The Hazard

By Wade Waugh

Pollution is a great hazard and Inspect Edmonton is doing something about it. They have come out to St. Albert and travelled around to different schools forming a group at each school. Inspect Edmonton has come to Lorne Akins and set up sections for any junior high to actively take part in any section.

Gordon Siemens and I are in land and water and to help us we have Wayne Williams and Done Touchings. We are

trying to find and take pictures of any pollution (land or water) and send them to the provincial government.

This week is Littercheck week and its up to people to check and destroy litter.

Separate School District No. 6 Marks Opening of Paul Kane High

St. Albert is indeed proud of its new Paul Kane High School and Wednesday, May 2 (tonight) will be the official opening of this ultra-modern \$1,465,000 educational facility.

To mark the successful completion of this urgently needed high school, St. Albert Separate School District officials have made plans to properly celebrate this milestone.

Hon. Lou Hyndman, minister of education will participate in the official opening ceremonies tonight. He will be introduced by St. Albert MLA Ernie Jamison and master of ceremonies will be Mr. J. M. Hrynew, proud and happy principal of Paul Kane High.

Other platform dignitaries will include St. Albert Mayor Ray Gibbon, Mr. C. Schroder, No. 6 Board Chairman, Mr. E. Howrsh, No. 3 Board Chairman, Mr. J. McDonell, Sturgeon Divisional School Board Chairman and Mr. Elmer Gish, Superintendent of the No. 6 School District, all of whom will extend greetings on behalf of the authority they represent.

Other dignitaries present will include representatives

from both school boards in St. Albert, Sturgeon Divisional Board, church, civic and other officials.

After the official ribbon cutting ceremony, the formal opening program will be terminated then guests and visitors will be invited to tour the giant complex. Light refreshments will be served in the Arts Theatre.

During the 13 months Paul Kane High was under construction, plans drawn by the architectural firm of Wood and Gardener suffered a few changes. However, the changes can be readily appreciated today since the

Principal John M. Hrynew is very content with his new school mainly because it's so versatile.

"We have so much space flexibility," Mr. Hrynew said, "and this flexibility lends itself to the present day teaching trends as well as to Joint-Use and the such."

These happy youngsters are all between the ages of 3 and 4 and attend Ridgewood Terrace Nursery School. Last Thursday was party time for all 15 students, marking their last day of the current term. Shown at rear with her students is Mrs. Valerie Howell, nursery school teacher. Left to right are: Pammy Cann, Gayle Ringette, Laurell Sware, Dianna Yuschychyn, Bobby Payley, Kerry Unger, Steven Unger, Karl Ance, Lauren Thompson, Laura Grosenick, Shauna McPherson, Kim Whimby, Rachelle Van Adestine, Alela Williseraft, Yvonne Gardner. Highlights of the party was a puppet show presented by St. Albert's talented librarian Don Mills.

Winners of the Sunday Mixed Curling league trophy, were skip Lloyd Sherbourn, left, his wife, Hilda and Ken Crerar. Presentations were made April 27 following the curling banquet at Club Mocombo.

Arts & Crafts

Crocheting has recently undergone a sharp upsurge in popularity. No longer associated with dollies and

Lion's Auction June 1 & 2

The third annual Breakfast Lions Club Auction sale will be a two-day event this year and will be held on the evening of June 1 and the morning of June 2.

All residents of St. Albert are urged to support this fund-raising project as they have done so well in the past. Any useful saleable article can find a new home through the medium of this auction and the monies earned thereby go to the many worthwhile projects of the Breakfast Lions - the Senior Citizens, the Lions Community Band and others.

Spring is a time for house cleaning and renewal. The spring cleaning theme will be stressed again this year. While cleaning house (garage and basement) clean out those old articles you had hoped to find a use for and never have. Put them to use at the Lions Auction.

The Auction will be held at Grandin Shoppers Park. Watch for our posters and advertisements regarding pick-ups, who to call, etc. In conjunction with the regular auction, the Lions will also hold a consignment auction of used sports equipment. Those of you who have good sports equipment for sale will be able to leave it with the Lions for sale, at their auction, with a percentage of the price realized going to the Lions for their many projects.

The dates again - June 1 and June 2.

chair covers crocheting has moved into the fashion world. With knitting worsted and flamboyant colors attractive and inexpensive clothing can be created in very short time.

In Horseshill a course in crocheting was taught by Mrs. Peggy Wenzel. Ladies learned the basic crocheting stitches and ended the course learning to make "granny squares" which are the basis for not only afghans but vests, sweaters and even skirts. Samples of their work will be on display at the upcoming bazaar at Horse Hill on May 5.

An absorbing and gratifying pastime for many Albertans in recent years has been the collecting of antiques and articles from our pioneer days. Since our Centennial, Canadians have become more aware of their heritage and the importance of preserving it for future generations.

It has been suggested that a club be formed in the MD of Sturgeon for those interested in knowing more about collectables and antiques. Experts could be brought in to speak and to evaluate private collections. A club would also give residents a chance to see some of the things that our pioneer residents used.

Antiques are usually referred to as anything that is 100 years or older, heirlooms are pieces of personal property that has been in a family for several generations and collectables are things that are merely "old".

Too often items of value, whether monetary or sentimental are discarded to be replaced by something new and modern. A visit to an antique shop will make one aware of the value of antique

ies, even those of just a generation ago. Old canning sealers have now become collectors items and complete set of the Dionne Quintuplet spoons from the 30's sells for \$35 at one of the local Edmonton stores. At a recent antique auction sale an old Boy Scout manual sold for \$15.

Many books are available on antiques in bookstores and libraries. An excellent reference to help approximate the age of collectables are old catalogues. Many have been reproduced in recent years and are on sale in local bookstores. Coles have a 1908 Sears Roebuck catalogue for \$2.99 and an

1896 Marshall Field and Co. Jewelry and Fashion catalogue for \$1.99. The 1901 T. Eaton Co. catalogue has been reproduced by the Mason Book Company of Toronto. Those owning original copies of old catalogues have something of great value. Anyone interested in organizing a collectors club this fall? Phone the office. After you have rummaged through the attic in search

of treasures take note of the old buildings on your property. We'd like to keep track of them. Please write the approximate date built, location and any details about the building that you can furnish us with.

T. Ruth McCullough and Mrs. Jean Smith, Arts and Crafts Co-ordinators, Recreation Department, MD of Sturgeon. Telephones 256-3321 and 424-6276.

MR. & MRS. D. CROZIER

Crozier - Mulligan Wedding

By Norma Crozier

An evening ceremony at Namao United Church on April 7 united Douglas Clive Crozier, son of Mr. and Mrs. Reg Crozier and Constance Marie Mulligan, daughter of Mr. and Mrs. Earl Mulligan in marriage. The marriage was performed by Dr. E. Miller and Mrs. V. Hansen was the organist.

The bride wore a full length gown of crystal organza and carried a bouquet of yellow gladioli. The maid of honor, Colleen Edwards, bridesmaids Barbara Mulligan, sister of the bride, and Janice Crozier, sister of the groom, wore gowns of flocked pastel shaded nylon and carried bouquets of daisies

and yellow gladioli.

Bob Wenger was the best man and Ken Crozier and Bill Akerman the other attendants.

For her daughter's wedding, Mrs. Mulligan chose a full length gown of brown and white, her corsage was yellow daisies. Mrs. Crozier, mother of the groom, wore a full length gown of green crystalline with a corsage of yellow daisies. After the wedding a dance and reception were held in the B'nai Accord Community Hall with music by The Golden Altes. Mr. Keith Everitt was the master of ceremonies for the evening.

The couple are residing at Bon Accord.

Namoo News

Get well wishes to Ralph Samis who is a patient in Royal Alexandra Hospital after suffering back injuries.

May meeting of Namao UCV will be held at the home of Mrs. Clayton Crozier on May 9 at 1:30 p.m. A guest speaker from the Canadian Mental Health Association will be present to speak on mental health and the aims and objectives

of the association. Anyone interested is invited to attend.

Mr. and Mrs. Dale Shultz have returned from spending the winter in Arizona.

Mr. and Mrs. Larry Paul journeyed to Banff on the weekend to attend conferences. Mrs. Paul to the Banff School of Fine Arts to attend Key 73, and Mr. Paul attended the Alberta Recreation and Parks Association spring conference held at the Banff Springs Hotel.

On Sunday, May 13 a special service will be held at Namao United Church to commemorate the 90th anniversary of the church. The service will be at the regular time, 11:30 a.m. Old-timers of the district will be especially remembered at this time. Lunch will be served after the service.

Mr. and Mrs. Donald Mc-Lay, Mr. and Mrs. Chester Crozier and Mr. and Mrs. Hugh Crozier have returned from a week's holiday in Penitentiary where they watched two of the Broncos play games.

Father Volk honoured on 40 years of service

A consecrated mass at St. Peter's Church, Villeneuve opened a joyous evening marking 40 years of service in the priesthood for Father Martin Volk, parish priest since July of 1966 for Calahoo and Villeneuve.

Mass was said by Father Volk and concelebrating with him were Fathers Schmeltzer, Connelly and Bernard; his brother Father Jerome Volk and his classmate, Father Rohelster. The homily was given by Archbishop Anthony Jordan. In attendance were Monsignor Rooney, Monsignor MacLellan,

Fathers James Holland of Edmonton and Joseph McGrane of Mearns, both classmates of Father Volk, and a Knights of Columbus guard of honour.

The image of a quiet, calm and fatherly priest, who had won the affection and respect of his parishioners and all who knew him, emerged as the evening unfolded. "We think of Father Volk as a good shepherd - he took care of us - he helped us" said a speaker at the reception which followed the mass.

Over 200 people filled the Villeneuve Hall for the reception and supper honouring the good father. Master of ceremonies Ed Savole introduced the head table guests: Mr. George Soetaert, Mrs. Rooney, Connelly, and MacLellan, Father Volk, His Grace the Archbishop Jordan, Father McGrane, Father Volk's sister Lena and brothers George and Mike Volk. A beautifully decorated cake in the form of an open Bible with gilt-edge pages and inscription denoting 40 years of devoted service, adorned by yellow and red roses, centered the table.

By Flo McGinnis

Twelve brownies from the 2nd Deck were taken on a sleep-in at the International Building by Mrs. Barb Tailleux from 7 p.m. April 25 till 1 p.m. the next day. Mrs. Tailleux's sister, Miss Ethilyn Waage, a nurse's aid from Birchhead and Miss Darlene Supernant of Edmonton (formerly of Morinville) assisted in supervising the girls.

The brownies worked on badges, sang songs, played games and went on a short hike. Mrs. Pifko and Mrs. Kathy Krauskopf helped with the dinner, while Mrs. Eileen Volmer assisted in preparing the breakfast.

It was too windy and cold to have the wieners roast but the girls made a quick trip out to Heritage Lake and then across the trail to see the animals at Tailleux's. A new baby calf was the favorite of the day.

All in all it was an enjoyable time, thanks to all the ladies who assisted including Mrs. Lyndy who offered to go and sleep with the girls. The group appreciated the use of the International Building which is an ideal place to hold an indoor camp.

Mr. Alex Gillis brought greetings from Jasper, where Father Volk had served for nine years and recalled that coming to Jasper from Saskatchewan he was

still in hard times in 1953 - "In the old green trailer" At that time said Mr. Gillis, the Roman Catholics and Protestants were at each others throats, but in his quiet way Father Volk worked and helped and now they get along well. "That is just one of the good things he's done."

George Hartmetz, Grand Knight of St. Albert Council brought a message of goodwill from the 140 Knights of the district "to a member of our Council who has given so much to our organization. It's presented Father Volk with a handsome engraved wooden plaque in scroll design on behalf of the council.

Speaking for St. Catherine parish and the community of Calahoo, Walter V'etoor said "It must give you a tremendous feeling to look back on 40 years of service. We think of you as a good shepherd and all of us have benefitted by visiting with you when we have our problems. And you have given us fruitful food for thought in your messages from the pulpit - your words on how Christ would have us live."

Father Bernard introduced the altar boys and called on Bernard Demers who presented a gift from all the boys in the two parishes, and thanked Father Volk for "your help and

guidance."

Mr. George Soetaert said he was honoured to have been asked to speak for St. Peter's Parish in Villeneuve. Forty years is quite a while, he said, to have served first his God and Master and second his fellowman. "Mr. Soetaert presented Father Volk with a purse on behalf of all present."

"Needless to say I am deeply honoured," said Father Volk - at times when people were speaking I thought they were talking of someone else. Deep in my heart I have only gratitude for the many things that you as parishioners and friends have done for me. He expressed his thanks to Archbishop Jordan and to all the priests attending, some had come from a distance - to the choir and the ladies of the parish who prepared the supper. And he had special praise for the altar boys, "who are not always appreciated as they should be."

Thank you each and everyone - and the speakers. I will remember you, especially in my prayers, he concluded.

During and after the supper all present had an opportunity to pay their respects and to visit with Father Volk. He will be leaving this month to make his retirement home in Kelowna, B.C.

THANK YOU

I wish to thank my friends and relatives for coming to my Anniversary celebration. Your cards and gifts are also deeply appreciated.

Father Volk.

MORINVILLE MEMOS

By Flo McGinnis

May 9 at 8:30 p.m. the Sports Association will hold a general meeting in the Morinville Centre. The public is urged to attend this very important meeting at which time there will be five new members elected to the executive.

If you are interested in sports facilities and programs for your town, please come out and voice your opinions and ideas. Mark May 9 on your calendar and be there at 8:30 sharp!

The general meeting of the Mothers Local to the Guides and Brownies, held on April 15 met with an extremely poor turnout. There are about 60 girls in guides and brownies in Morinville and yet the meeting received response from only four mothers plus the executive and five leaders. However business must go on and it was decided to have a mother and daughter banquet on May 31 at the Recreation Centre. The program will be set up by the guides and a fee will be charged for plates. If the guides and brownies organization is to carry on in our town, more support is urgently required. Do you know what the Mother's Local is? Are you interested in your girl getting involved with brownies or guides? Are you willing to give your support to the Mother's Local? Then please call - Gloria Ellis at 256-3437 for further information

Morinville Board of Trade will hold their regular monthly supper meeting on Monday, May 7 at the Legion Hall beginning at 6:30 p.m. Special guest speaker will be Mr. Dick Wilson, information representative, Northern region of Calgary Power. Make sure that you are in attendance to get your questions answered 'first hand.' For membership and further information please call Don Derby at 256-3331

Mr. C. A. Gregoire, manager, and the staff of the Royal Bank, Morinville Branch invite you to come and 'get acquainted.' Drop in and familiarize yourself with the Royal services. Coffee and doughnuts will be served from 10 a.m. to 3 p.m. during May 9, 10 and 11.

Mid-April seemed like a perfect time to take a few days off and drive out to B.C. and it proved to be very true. The roads were good, the traffic fairly light, and animal life was in abundance. West of Prince George there were moose, deer, porcupine and coyotes in several places along the road. In Jasper National Park the mountain sheep were just moving down and there were 68 that we counted in an 11 mile stretch. Many of them accepted handouts from motorists and for some time there was even a roadblock while the sheep got their fill. Moose, deer, porcupine and some goats were clearly

'not shy' of the travellers. Coming back to a snowstorm wasn't too pleasant, but it must be admitted that we really do need the moisture. All in all, the McGinnis family had a nice little holiday.

The Senior Citizens Rendezvous Club held a very successful Whist Drive and Card Bingo on Monday, April 23 with nine full tables of cards going. Prizes were won by: Mrs. Margaret Vandaele and Oswald Chevalier - Ladies and Men's First Prizes; Mrs. Billie and Maurice Dohnt - Ladies and Men's Bubby Prizes. Mrs. Margaret Rousseau won the door prize donated by McGinnis Realty. As usual the senior citizens provided everyone with a delicious lunch, and all agreed that it was indeed a good evening even though it was no longer a Pre-Easter party.

Four senior citizens will be celebrating birthdays shortly: Elizabeth Bachand, May 6; Clarice Baupre, May 8; and on May 10 - Tony Krauskopf and Harve Arbour. Best wishes to you all!

Mrs. S. Weiss will be hostess for the next regular meeting of the United Church Ladies Aid when they meet at her home at 8 p.m. sharp on Wednesday, May 9. All ladies wishing to attend are welcomed at this meeting. For further information regarding the United Church ladies call Jean Robinson at 256-3153.

The UCC Ladies Aid will be holding their spring bake sale on May 12 beginning at 10 a.m. In the Super "A". This sale will coincide with

Mother's Day so drop in and pick up some real Home Baking! The ladies appreciate all the support they have had in the past and hope that this year's sale will be as successful!

Joe Calder has returned home from her trip to England and reports a very enjoyable time even though the 'no central heating' was a bit different.

Anne Kryskow, chairman of the Thibault School Board has just announced that the new secretary - treasurer for the board will be Jean Baupre of Morinville. Jean has had four years experience with the former Pelletier Ford Sales establishment in Morinville and has her certificate for accounting from Ford. This year, she completed Bookkeeping 10 and 20 and is now completing Bookkeeping 30. The three courses in one year is a first for Alberta, and special permission had to be obtained from the Dept. of Education to allow this. Well known to Morinville and district residents, Jean will be pleased to assist any parents or residents with inquiries. The school board office located downstairs at the town office will be open from 9 a.m. till 1 p.m. Monday through Friday of every week. Phone 256-3554.

Mrs. Yvonne Wiley is presently a hospital patient in Calgary, having had eye surgery. Get well wishes are sent by all your Morinville friends, Yvonne.

Just because we have had some snow don't think that our Frontier Daze are that far away. There are only seven weeks left till the big event - have YOU made arrangements yet?

Town of Morinville

INVITATION TO TENDER

Sealed tenders marked "Tender for installation of water meters" will be received until 4 p.m. Tuesday, May 8, 1973, at the Office of the Municipal Secretary of the Town of Morinville, Morinville, Alberta, for the following:

A. Installation only

- 350 - 5/8" water meters
- 15 - 3/4" water meters
- 6 - 1 1/2" water meters
- 2 - 2" water meters

All the meters are equipped with outdoor registers to be installed on the premises.

B. Supply and install accessory fittings for the installation.

The owner is to provide a readily accessible location for the meter.

The Town will supply:

- The meters complete with tailpiece, nut and washer
- The outdoor register complete with necessary wire for the connection.

Please quote lump sum on total installation, also please quote unit prices.

The quantities listed above are approximate and for the purpose of the tender only. The unit prices requested are for the purpose of calculating extra installations or deductions, if any.

Each tender must be accompanied by a surety in the form of a certified cheque or bond, payable to the Town of Morinville for 10 per cent of the tender price.

The Town of Morinville reserves the right to reject any or all tenders and the lowest tender will not necessarily be accepted.

Paul E. Brochu,
Municipal Secretary,
Town of Morinville,
Morinville, Alberta.

Calahoo WI Plans Variety of Projects

By Liz McLeod

The April 24 meeting of Calahoo Women's Institute was held at Mrs. Werner Christen's home at 8:30 p.m. with 14 members and one visitor, Mrs. Dina Groppo, present. President Mrs. Albrecht started the meeting with a song. Discussion followed to finalize plans for the bingo and bake sale, April 26.

Betty Albrecht received the pair of moccasins which the Institute had asked Mrs. Gray of Courmayeur to make. They have Calahoo WI and the Alberta Rose fashioned in beads, and everyone

thought they were the perfect souvenir gift to be sent as a sale item at the National Convention at Banff June 17-23.

It was decided to have Mrs. Elsa Lischewski order the rug to be hooked at the K-days demonstration. It will be raffled at the handicraft tea in October.

Betty Albrecht was named delegate to the District Conference, May 2 at Stony Plain and Liz McLeod for the National Conference in Banff on June 18.

Mrs. Daphne Kerr, on the tour committee, asked for suggestions and tour date was set for June 28.

Mrs. Madeline Brown informed the flower show committee that the UG Elevator in Morinville can supply tags.

Mrs. Mary Dahlheim showed a sample of her schedule for May 2 in a neatly compiled book form for Stony Plain's 60th anniversary of WI. It is hoped every member makes the effort to attend.

It was unfortunate that speaker, Mr. J. Androschuk from the Cultural Heritage Assoc. didn't arrive, (hopefully not being lost). Cultural activities was the subject for this meeting.

The roll call was interesting and informative one, since members were asked to tell how something originated. Members learned

about these things, books 105 A.D. China, cakes (its origin in 13th century), youth hostels (Germany in 1909, Canada in 1939), weaving and spinning, the cigarette, first industry started in 1883, railway age, first locomotive in 1814 took passengers 12 miles in 1825, the clock by Chinese in 2000 B.C. by Charles the 5th of France in 1379, The Timothy Eaton Co. started on

Youngs St. in Toronto in 1869 and in 1884 the first mail order catalogue called the "Homeside's Bible," the calculating and adding machine in 1642 and how records and minutes were started. Mrs. R. Alice Schermund won the door prize.

Plans for a catering job in the near future were finalized. Lunch concluded the meeting.

Legal Proclaims Clean-up Week

By Lucienne Montpetit

The Council of the Village of Legal have declared the week of May 7 - 12 as clean-up week. The Legal Fire Department is asking you to make this clean-up week a success by calling upon all citizens to rid their property or properties of trash and rubbish which may be a breeding place for fires. Most fires occur in storage areas, such as closets, basements and attics and that a simple clean-up would eliminate many fire hazards.

Please do not attempt to burn grass or rubbish by yourself. Call your fire department they will be pleased to assist you. Spring always brings fire dangers,

watch for paint removers and cleaning solvents and never use flammable liquids indoors and get rid of old soaked rugs and containers. Loss of life and properties in fires is very high each year.

Be wise, protect yourself and your loved ones. The village equipment and men will be available during clean-up week to haul any rubbish or waste etcetera. Please place anything not needed in your lane and they will see that it is hauled away.

GAZETTE WANT-ADS
GET FAST RESULTS

BON ACCORD ACTIVITIES

By Sadie Allen

Despite the inclement weather a good crowd turned out to enjoy the fine exhibition of art and hobby-craft items displayed in the community centre on Sunday, April 29. Craft items which were displayed on the main floor, consisted of many beautiful and useful garments made from leather, several different types of weaving and macramé, copper tooling, and many Christmas novelties. The art exhibit, which was on display in the basement, was comprised of the work done by the Bon Accord art class. Unlike last year's exhibit which was mostly paintings, the exhibits this year were done in pencil, India ink and some colored ballpoint. All in all it was a most enjoyable afternoon and well worth attending.

Weather co-operating, baseball will get underway the second week in May. Tentative starting date for minor teams will be May 8 with the seniors having their first game slated for Sunday, May 13. Coaches for the mini-minors are John West and Don McKay; for the minors, John Marshall; for the peewees, Jim Draper; for the bantams, Albert Hewitt and Mike Malanchuk; for the midgets, Chester McBride and Bryan Critchley.

Sincere sympathy is extended to Bill Deedman, whose mother passed away at the age of 106 years.

Mmes Lillian Carleton, Jean Chubb and Marijane Brown attended a meeting of the Alberta Community Art Clubs Association held at Corbett Hall, U of A on April 28. Elected to the executive of the ACACA were President Marijane Brown, vice president Roseanne Lewis, secretary Jean Chubb and treasurer Lillian Carleton. Directors are - Mmes. Emily Charlton, Eileen Deacon and Marion Sutherland of Westlock and Mrs. Maria Yeakub of Alberta. The ladies will serve in the above capacity for the next two years.

On April 17, the 4H Food Club had a wind-up party to finish off Unit 1. Following a program of poems, tap dancing and riddles the members, leaders and guests enjoyed punch, fancy sandwiches, a relish tray and cookies made by club members. Achievement Day will be held in the Community Centre on May 5 at 2 p.m. Everyone is welcome to attend. We would like to congratulate Joyce Woyitka who received Honorable Mention for her public speaking. Her topic was personality. This report was submitted by club reporter, Carmen Carleton.

The jackpot for Sunday night bingo has built up to \$40 with 65 members being called on Sunday, June 6.

Sturgeon has set a trend that perhaps the whole of Alberta will follow. The uniform adopted by the new Sturgeon division of the St. John Ambulance consisting of a simple white nylon shell jacket worn with a white roll-neck sweater, black

pants (cuffed baggies to be really in style) and black shoes is quite different from the military style uniform that has been standard dress for decades. Also to keep with the times, it is a unisex uniform, the same outfit being worn by both the men and women. Official recognition of the revolutionary uniform by the commissioner of St. John Ambulance has yet to be acquired, but one result has been that #20 Nursing Division of St. John in Edmonton has gone over to the idea of an updated, efficient uniform.

The usefulness of the new uniform was proven recently when eight of the division from Bon Accord attended public duty at Edmonton Gardens. In the darkened arena during the Deep Purple Rock concert, the stationed members were easily visible to the audience which was a relief to more than one of the young fans who required aid.

Girls fastball is scheduled to get underway on May 3. Look for home games Monday and Thursday for the girls. Coaching the mitts are Doreen Hewitt and Donna Gervais, the peewees, Gail Thompson and Vern Verhaeghe; the bantams, Keith Whitson and Leon Gervais and the juveniles, Gail Critchley. Gienna Brennan is in charge of the Women's team with assistance from Joanne Bokenforth. Schedules for all games, boys, girls, women and men will be posted in the Village Superette and the R.A. Laundromat. If your a ball fan, you have an interesting summer coming up. If you're not, here's your opportunity to acquire the taste.

A warm and hearty welcome to our community, Mr. and Mrs. Paul Borube from Villeneuve and to Mr. and Mrs. Roger Burrassafrom Saskatchewan.

Swimming lessons will be held from July 16 - 28 and if there are enough registrations second classes will be held from July 30 - Aug. 11. Registrations will be held on May 16 - 17 from 7 - 9 p.m. at the home of Real Champagne. Fees \$10 which include lessons and transportation to Edmonton.

Mrs. Richard de Champlain is back home recovering after being hospitalized for a week.

Special congratulations to Paulette Laplante from Vimy who was runner-up for Mlle Cabane a Sucre last Saturday. We are all very proud of Paulette because she was representing the Legal, Vimy and Morinville regions. The candidates vol-

ed Paulette as Miss Congeniality. She received many beautiful prizes.

While your in Edmonton why not stop in at the Wellington Service Station on 132 Avenue and 127 Street where Richard de Champlain is now the operator. Richard is no longer farming and manages the station but his family still resides in Legal. Good luck Richard in your new undertaking.

Upon the request of Father Bois and members of the parish council the host-enanny Mass singers travelled to Thorhild Sunday morning to sing at the 10:30 mass, then the group of 30 assembled at the Thorhild Lodge to sing for the senior citizens. The members of the CWL really well received our young singers. The ladies prepared and served a delicious lunch to all. Many thanks to the organizers, the drivers and to the Thorhild parish for their warm hospitality.

Sixteen Femmes Chrétiennes attended the Congress held in Vimy on April 28. Their husbands accompanied them for the banquet in the evening.

Cookie Day! Cookie Day! May 4 after school the brownies and guides will be selling cookies from house to house in the village. Buy some and encourage the girls.

The Mother's Local will have a bingo on May 6 at the Community Hall at 8 p.m. Everyone welcome.

By Peggy Wenzel

Don't forget to come with your neighbors and friends to the tea and bazaar on Saturday, May 5 from 2 - 4 p.m. in the H:re Hill School auditorium. It's sponsored by the entertainment and the arts and crafts committee of the community. The purpose of the tea is two fold - first to raise money to help furnish the new kitchen facilities, secondly to promote arts and crafts in the community. There will be a display table of arts and crafts done in the district and programs to be offered in the fall. Support your commu-

nity league activities.

The April meeting was held April 26 in the school with approximately 30 members present.

The entertainment committee reported a profit on catering to the Spring Festival.

The subject of catering was discussed and it was decided to form a catering committee. When the kitchen is completed, anyone interested in this committee should let one of the executive know.

There are ball coaches for all teams except the boys team eight and under. Help could be used there.

The Annally Club donated 30 cups and saucers, which was very much appreciated. Joan Clark reported from the recreation board.

The next meeting will be held May 24 in the school at 8 p.m.

The Harvestore automated feeding system

Relieves labor pains.

First-in, first-out. Year round. You harvest and fill when your crops are at peak feed value. And keep on feeding at the same time. No need to feed out one cutting while another crop goes past its prime. No need to pull a top unloader and dump fresh feed down on top of old feed. No abrupt feed and production changes. The first feed in is the first out. Simply push a button and the powerful Goliath bottom unloader delivers. Ton after ton. No freeze-ups. No pulling to fill.

With a single Harvestore System you get multiple filling, and feeding capacity that is equal to several conventional silos.

You get better feed. You get automated convenience you can't get anywhere else. Service? You get service when you need it. You get it all with one call. To your Harvestore dealer.

world's leading manufacturer of automated feeding systems.

ELAINE HIMSCHOOT - ROBERT CRAIG
Photo by Jeet Khullar

Craig - Himschoot United In Double Ring Ceremony

By Flo McGinnis
Morinville's historical St. Jean Baptiste church was the scene of a beautiful spring wedding when Elaine Himschoot exchanged marriage vows with Robert Craig in a double ring ceremony. Rev. Father G. Primeau officiated for the daughter of Mr. and Mrs. Octave Himschoot and the son of Mr. and Mrs. Albert Craig all of Morinville.

Entering the church on the arm of her father, the bride looked radiant in a floor length gown in white organza with applique lace bodice, and slightly puffed, deeply cuffed sleeves. The traditional long veil trimmed with heavy lace was held in place with a nose-gay of fabric applique daisies. The bride carried a bouquet of spring flowers with a white bible, and her only jewellery was a ring and matching earrings, gifts of the groom.

Bridal attendants, Julie Himschoot (sister of the bride) and Connie Craig (sister of the groom) chose full-length gowns in floral print featuring high collars and dainty ruffles. Wearing wide-brimmed mauve hats, the girls carried baskets of yellow spring daisies. The groom was attended

by Vincent Craig (his brother) and Robert Champagne (the bride's cousin), while Real Cormier, Octave Himschoot Jr., Dale Vranas, and Norman Forcade ushered the guests.

For the afternoon ceremony the mothers of the bride and groom greeted their guests in floor length floral print gowns enhanced with an orchid.

Organist Norm Chalfoux provided wedding music while soloists Mrs. Muriel Krauskopf and Mr. Leonard Forcade rendered appropriate selections.

A banquet for 235 guests followed by a reception and dance for some 500 guests were held in the Morinville Centre. Out of town guests attended from Saskatoon and Speers, Saskatchewan; as well as Olds, Two Hills and Calgary.

After a honeymoon trip to Jasper, Banff and other points the happy couple will make their home in Morinville.

Gibbons Notes

GIBBONS NEWS

By S. A. M.

Get well wishes to Emerson Knott in the General Hospital at Fort Sask.

Howard Davis of Keg River, Alberta, spent several days here visiting his sister Mrs. Eula Mabbutt and nephews and nieces in the district.

Mr. and Mrs. Ken Wood and children Ken and Cathy spent Easter weekend visiting their relatives at Medicine Hat, Alberta.

The Gibbons Brownies held a very successful tea and bake sale, April 21. The girls presented an enjoyable program with the group singing several songs. Ron-da Hood gave a recitation My Shadow, Lori Briggs did the Highland Fling and Sword dance. The Gingerbread House made by Mrs. Della Gibbons was won by Mrs. Coleen St. Nicolaas and the door prize was won by Mrs. Jimmie Shaw. Claire Lamoureux piano solo. Karen Shaw who was celebrating her birthday that day was presented with a birthday cake.

Sincere sympathy of the district is extended to Mrs. Clara Williams and family on the death of John L. Williams, on April 25, 1973. Funeral services were held at Foster and McGarvey Funeral Home, Saturday, April 28 at 1 p.m. Interment at Little Mountain Cemetery. He also leaves one daughter Mrs. Donald (Judy) Christie, seven grandchildren, Lloyd, Stanley, Lockie Kathryn, Dale, Jo-Ann and Ronald all of Gibbons, two great grandchildren Jason and Kerrie Christie, two sisters Mrs. Lillian Ulford, and Mrs. Grace Howell of Fairbury, Illinois, U.S.A.

A Flea Market will be held Saturday, May 5 from 1 - 4 p.m. Community Hall.

May days Frolic on Saturday, May 5, at the Community Hall 9 - 1 a.m. Tickets available from Hall Board members and local merchants.

The Gibbons Brownies recently held an enrollment recently. Three girls were enrolled Barbara Keryliuk, Kim Kennedy, Silvia Herbold. The following girls recently received their Golden Bar - Karen Shaw, Cathy Wood, Lindy Mabbutt, Coleen McLean, Sandra Kennedy, Jacqueline Pyska, and Heather Hood.

Dignitaries Attend Library Open House

By Flo McGinnis
The "Open House" at the library on April 14 was a great success even though the heavy snowstorm the night before did affect the numbers in attendance. The tea table was most attractive with Easter Bunnies and spring daffodils along with a delicious array of cakes and cookies donated by board members and kind friends. The six ladies pouring tea were: Mrs. Laura Kieser and Mrs. Charles Kieser; Mrs. Clarice Kremer and Mrs. R. DeTennacourt; Mrs. V. Curtis and Mrs. Billo.

Mr. John Forsyth from the Dept. of Culture, Youth

and Recreation attended with his wife and baby son, and expressed his pleasure with the appearance of the library and with its fine collection of books. Mr. Don Mills from the St. Albert Library brought his wife and a library board member, Mrs. Kamra to view the premises and visit the board members. Mr. Mills made some very helpful suggestions, promising to come out and give a story hour complete with puppets for the kindergarten-aged children.

The book sale of old and duplicate books and magazines was more successful than had been anticipated, but there are still many books to dispose of. If you are interested in them, come in and see what is on hand.

Apology

The Gazette regrets the typing error in the account of the funeral services for Sophia Lutz, published last week. We apologize sincerely for any embarrassment caused the family.

Vimy 4H Needles

Achievement Day for the Vimy 4H Needles Club was held May 3, with the theme "Swing into Spring with Us."

On May 12 the club will hold a wind-up day at Vimy Campsite from 2 p.m. Anyone interested in joining the Needles next September is welcome to come. Club membership is presently 22.

The 14 year old members and over have voted for club week delegate. The leaders will choose the member who is to attend the

leadership seminar at Gold-eye, and the other two will be eligible for the senior camp councillors trip at Camp He Ho Ha.

Delegate for Club week - Jocelyne de Champlain; delegate for junior leadership seminar - Cecilia Montpetit; delegate for junior camp councillors: Nicole Cousseau Karen Wilson and Lucille Ringuette. Due to Lucille Ringuette not wishing to go, Jocelyne de Champlain took her place.

Winnifred Stewart To Speak At Morinville

By Flo McGinnis

The Morinville Lions Club will be holding their 24th Annual Charter Night on May 12 in the Morinville Recreation Centre. Cocktails will be served at 6 p.m. with the supper beginning at 7 p.m. sharp, followed by dancing and refreshments.

The Lions are proud to announce that the special guest speaker for the evening will be Mrs. Winnifred Stewart. It will indeed be a pleasure to see Mrs. Stewart in Morinville again and be able to hear this very interesting and capable speaker.

Tickets for the Charter Night are available from any Lions member, or call

Art Stapleton at 256-3055.

May 2, (today) is the day of the Lions Blitz toward the fund drive for the Winnifred Stewart School For Retarded Children. Business places will be canvassed during the day while a door-to-door canvass will be carried out in the evening. This is a one-day blitz, but there WILL BE call-backs for anyone who is not home the first time around. The Lions expect that the residents of Morinville will be generous in helping them in this most worthwhile project. Please greet your canvasser warmly and do your part, no matter how small, to aid this very excellent school.

AL SLATTERY

Mr. R. G. Leger, Sales Manager of Chalet Wines Limited, announces the appointment of Mr. Al Slattery, Edmonton as Sales Representative. Mr. Slattery will represent the company in Edmonton and in the north-central area of the province.

Originally from Prince Albert, Saskatchewan, Al Slattery entered the business community following a five-year stint in the RCAF. Since coming to Edmonton about a year and one-half ago, he has been very active in the Masonic Lodge and in community affairs as well as in the business world. In his new position, representing Chalet Wines Limited, he looks forward to being of assistance to many organizations and individuals in the Edmonton area.

Mr. Slattery may be contacted at 453-1712

Rivierre Qui Barre Grl Wins 4H Speakoff

Rita Rlopel of the RQB 4H Beef Club was the winner of the North-West Region 4H Public Speaking Competition held at Sallsbury Composite High School on April 14. The winners of five different counties including Leduc, Parkland, Strathcona, Sturgeon and Yellowhead participated. The topic of Rita's speech was "The Secret of Enthusiasm".

Rita was the recipient of a radio presented by Mr. Fred Miller, co-ordinator of employee and public relations for Sherritt Gordon Mines Ltd.

Judges for the competition were Miss Sandra Hammer, Dept. of Culture, Youth and Recreation; Rev. Veronica Kirk, Marigold Toastmistress; and Mr. Hank Palliser, from the Dept. of Agriculture.

Plans Underway - Arena at Gibbons

By S.A.M.

The Sturgeon River Agricultural Society formed a building and management committee for the purpose of constructing an agricultural and recreational facility.

The Agricultural Society combined with the efforts of the Village Council of Gibbons, the Gibbons Recreation Board, and surrounding district, have decided to go ahead with this multi-purpose building.

The Village Council of Gibbons have indicated their support by resolving that three mills be allocated towards the construction and operation of this facility.

The Village Council have also resolved, upon agreement from the Edmonton Planning Board, to rezone a piece of parkland and put it up for sale. The proceeds will be allocated to this facility.

The Community Centre Board have provided the building site. The Gibbons Recreation Board have applied for a \$6,000 per capita grant and have pledged this towards the building. All organizations and individuals are being approached for pledges of financial assistance.

Canvassers will be contacting rural residents for financial support.

Legal Law 20 Class Visits City Courts

The Law 20 class along with their teacher Mrs. J. Keane, spent an exciting day in Edmonton, visiting the municipal court and the Canadian Citizenship Court. The day broadened the students knowledge on court procedures.

The law school trip started early Monday morning, April 16, as they had to be at their first court sitting at 9:30 a.m. After being greeted by Constable Cassles, the class sat in on a court hearing of a youth, charged with selling of stolen goods. The students were explained the various procedures and witnessed a judge's verdict.

The group then all had

lunch together at a well known restaurant, discussing the court hearing and stating different opinions. All too soon they had to leave for their next court appointment at 1:30.

At the Canadian Citizenship Court the students witnessed, Mrs. R. Lee formerly from the Philippines Islands and one of Legal's well known elementary teachers, take the oath of allegiance, declaring her a Canadian Citizen. The law 20 class would like to take this opportunity to congratulate Mrs. Lee.

The students all agreed they had a fulfilling day and hope to do it again real soon!

AROUND STURGEON

4H club reporters are reminded to send in news of their activities as soon as possible after the event. News later than two weeks, or three at the most, cannot be handled in many instances, due to space priority being given to current news. We ask the co-operation of our young reporters in this respect and congratulate them on the good reports received.

Bob and Kathy Lema went the other direction for a week's holiday - enjoying warmer weather in San Francisco, where they visited some of Kathy's relatives and spent a full seven days seeing as much as possible of the city, which they found both beautiful and interesting.

Buttons & Bows Speaking Winners

By Debbie Rye

Many events have led up to the final meeting of the Namao Buttons and Bows before Achievement Day. These events include both public speaking nights. Winners of the junior division were - 1st Betty Gibson, 2nd - Lori Samis and 3rd Myrna Vaulchik. Honorable mention - Margaret Forrest and Kim Horricks. Winners of the senior division were: 1st Lanny Robertson "Behind the Scenes" 2nd - Debbie Rye "Sportsmanship: The Real Thing," At the regular business

meeting April 10, Achievement Day was discussed and its scheduling planned. Letters were received from Doug Biebert and Anne Lehman and Randy Sandhu.

Achievement Day was April 30 at the Namao Hill.

AROUND STURGEON

Hazel Vorynk and Mona Comeau accompanied husbands Jim and Roger to the Sportsmen's Borspiel in Yellowknife over the weekend. While it was interesting to see the northern centre, Mona says she would rather live here.

Birdie (McLeod) Russell Passes at 78 years

By Liz McLeod

Mrs. Birdie Edna (McLeod) Russell, whose last address was 9334 - 103 Ave. Edmonton, passed away suddenly with a heart seizure in University Hospital on April 18 at 78 years of age.

Major A. Peat of the Salvation Army conducted the very fitting service at the Roy and Owen Chapel of Chimes on Monday, April 23 at 10 a.m. Organist was Mr. F. Johnson.

The pallbearers were six grandsons, Allan and Bruce McLeod, Bobby Royer, Doug McLeod, Maurice (Moe) Pyne and Archie Johnson.

Mrs. Russell was born Birdie Edna Brooks on September 20, 1894 in Manitoulin Islands, Ont., and came to Leduc and Conjurung Creek area as an infant with her mother.

When she was 17, Birdie married Mr. Claude Phillips McLeod on October 16 and in 1912 the young couple rode horseback to Calahoo (then Noyes Crossing) where Claude filed on a homestead. They lived here till 1917 during which time three children were born. Moving on, the family lived in Hibema, and other centres, mostly in Wetaskiwin, and

later to Edmonton in their retirement years. Mr. McLeod passed on suddenly at 75 years in October of 1963. Birdie in poor health Mrs. McLeod moved into the Jubilee Lodge and it was there she met Mr. Wm. Russell and later married him to live happily for almost two years until his death.

By this time Mrs. Russell's health had improved, and she left the Lodge to take up housekeeping duties at Mr. Albert Downey's home at 9334 - 103 Ave., where she felt more at home and free to come to her son's place at Calahoo when she chose.

Mrs. McLeod gave birth to 12 children, 10 still living, and the couple raised or looked after many more, including many grandchildren.

She leaves to mourn her loss three sons and their wives; Peter and Elizabeth McLeod, Calahoo; Ernest and Rose McLeod, Calgary;

George and Elizabeth (Betty) McLeod, Edmonton.

Seven daughters and their husbands - Mrs. Jack (Mary) Liddett, Edmonton; Mrs. Romano (Edna) Peressini, Edmonton; Mrs. Percy (Helen) Forbes, Edmonton; Mrs. Martin (Gertrude) Larson, Jarvie; Mrs. Robert (Huth) Royer, Edmonton; Mrs. Harold (Margaret) Voelching, Trinitas, Sask.; and Mrs. Harold (Clara) Ulrich, Calgary. Two sisters, Mrs. Ruth Higgins, Vancouver, B.C., and Mrs. Nellie Woods Edmonton. Two brothers, Alfred and Fred Rhema, Leduc; 31 grandchildren, and (all except David and Jean Davies who are in Iran) were present at the funeral and 25 great grandchildren many of whom were also present as were all the children.

After interment in the Evergreen Memorial Gardens, all present were invited to lunch at the home of George and Betty McLeod.

Cattlemen Warned Of Threat Of Bang's Disease Abortions

The number of abortions from Bang's disease in Alberta cattle is higher than it has been since 1962.

Dr. W. P. Brisbane, in charge of communicable disease control with the Alberta Veterinary Services Division, reports that abortions from this disease (also known as brucellosis and contagious abortion) have been confirmed by provincial veterinary diagnostic laboratories in six herds, scattered throughout the province.

In view of this situation he strongly advises Alberta cattlemen to prevent the disease from gaining any more ground by having blood tests done on all cows and heifers before they are brought into a breeding herd. If this is not practical, he recommends isolating them until they have been blood tested

and the results shown to be negative. He also suggests that anyone who has an abortion in his herd should send the fetus and the placenta (afterbirth) to his nearest laboratory to find out the cause.

Initiated in 1950, the federal-provincial brucellosis control program required that all heifer calves across Canada be vaccinated. The federal government supplied the vaccine to the provinces. In Alberta blood testing was carried out at all sales and reactors were branded and sold for slaughter.

In 1957 the Health of Animals Branch of the federal Department of Agriculture introduced a nation-wide blood testing program under which all reactors were slaughtered and their owners paid compensation.

Compulsory vaccination was terminated as the blood testing program reached its final stage. Cattlemen were then free to decide for themselves whether or not they would continue to vaccinate. In 1965 the number of Alberta heifer calves vaccinated against Bang's disease was 500,000. By 1972 the number had dropped to 30,000.

Dr. Brisbane points out that as a disease nears eradication, it is often the program rather than the disease that is actually eradicated. It is very important, he says, to make sure that this does not happen with Bang's disease.

All about Alberta's Farm Loan Program

The \$50,000 guaranteed loan program, announced recently by Alberta's Minister of Agriculture, the Hon. Hugh Horner, is part of the government's policy of maintaining and developing viable farming operations in this province.

Guaranteed by the Alberta Agricultural Development Corporation, the program is designed to make funds readily available to farmers through commercial lending institutions in their local area. Loans which are obtained directly from the corporation require more time because of the necessary investigations into the feasibility of the proposed project and the required evaluation and appraisal of the potential borrower's assets.

The corporation has already signed guarantee agreements with all chartered banks and provincial treasury branches. Other lending agencies may be involved in the program in the future.

The loans are available to individuals residing in Alberta who are operating or intend to operate a farm in this province to produce agricultural products. Partnerships and family farm corporations in Alberta are also eligible for these loans.

The loans may be used to buy land, livestock, farm equipment and farm machinery, as well as for operating capital and to make improvements to the farm. Improvements could involve constructing or repairing buildings, fencing, drainage projects, land-clearing and anything else designed to

Service Board Continues Weed Program

The Agricultural Service Board of the Municipal District of Sturgeon will have a chemical program again this year.

All wild oat and weed chemicals will be available under this program.

The program will operate the same as last year's program, with municipal participation at 25 per cent of \$500 worth of chemical.

All ratepayers participating in the program will have to verify their acreage by presenting their 1973 permit book, or signing a form verifying their acreage which will be checked against their 1973 permit book.

Some chemicals could be in short supply and will be sold on a first come first serve basis as long as supplies last.

Dealing with feedlot bloat

The following are suggestions from personnel of the Agricultural Research Station, Lethbridge, Alberta. This is not necessarily a complete list, but it may provide you with a few tips particularly if you are having a problem with bloat.

1. Be sure that you are feeding a mineral mix. If you are feeding alfalfa, adjust the calcium to phosphorus ratio of the mineral mix to about 1 to 1. If you are using straw, this ratio should be about 2 to 1.

2. If the grain you are using is too dry (that is, less than 12% moisture), 6 to 10 gallons of water should be added to every ton of feed to be hammered for instance, and left to sit from 1 to 3 hours (and no longer than this) before hammering. Excessive fineness can be a contributing factor to bloat, so be certain that you aren't getting a great deal of powdery material after hammering.

3. If bloat is persisting you may want to try 1 lb. of Tide or other detergent per ton of feed, or it can be sprinkled on grain as you feed it.

4. Salt should be provided in a loose form, both by itself and incorporated into a mineral mix. If the salt tends to cake, use 2 lbs of cooking-type oil per 100 lbs of salt. You may have to vary the amount of oil depending on whether or not salt continues to cake after this treatment.

5. If you are feeding only once per day, try feeding the same amount but spread it over two to three feedings per day.

6. Hay such as alfalfa can be placed in feeders first and straw placed on top of this, so that animals have to work their way down through the straw to the hay.

7. There must be adequate feeder space for all animals. Otherwise, bossy cattle will shoulder their way to feeders and thus prevent others from eating. The bossy cattle may be the bloating cattle.

8. The subject is very controversial but some feeders feel strongly that vaccination against Clostridium perfringens at 90 day intervals is useful in controlling bloat. The basis for this, if there is any, is unknown but you may want to try it.

Farmers Urged To Study Opportunities

Alberta farmers may be overlooking important market opportunities for special crops, according to Dave Durksen, export marketing officer with the Alberta Department of Agriculture. Price advances of major grains have received considerable attention, but those of mustard and buckwheat have been among the most spectacular. Some contracting companies are offering six cents per pound for brown and Oriental mustard, over eight cents per pound for yellow mustard, and \$2.40 to \$2.50 per bushel for buckwheat, all double the prevailing prices of two years ago. According to Mr. Durksen, these cash crops provide southern Alberta farmers with an opportunity to increase the total return and profit from the whole farm operation, particularly in those areas where special crops can be used as a summerfallow alternative. He

adds that cash crops are not subject to Canadian Wheat Board quotas, and farmers can guarantee themselves a full price for crops by signing production contracts. Finally, he warns that a lack of special crop production in 1973 would jeopardize export markets previously established by Canada.

Farmers interested in producing mustard and buckwheat should contact the following companies which are contracting for special crops in Alberta. Alberta Wheat Pool, Calgary, 267-4910; Demeter Agro Ltd., Lethbridge, 325-5737; Diversified Crops Ltd., Edmonton, 429-7375; Ellison Milling, Lethbridge, 328-6622; Milk River Grain, Milk River, 647-3510; Pioneer Grain, Winnipeg, 988-5745; United Grain Growers, Calgary, 263-5830; O'Loane, Kelly & Co., Lethbridge, 327-6022.

Calf Scours

By Wally Klatt,
District Agriculturist

Lately I've talked to quite a few cow-calf producers about calf scours. I suggested the best thing to do when a calf is real sick is to contact a veterinarian. He should also be able to assist you on a prevention program.

To help minimize scours on your farm the following (as offered by Vets) are offered:

1. Use adequate and good quality feed for cows including proteins, vitamins, minerals, salt, water, etc. It's important that the cow has adequate amounts of Vitamin A, D and E. This is before and after calving.

2. Use clean, dry, uncrowded calving grounds, away from the buildings and in a protected area. Use plenty of dry bedding.

3. Ensure the cow has milk and the calf can get it. The calf should be feeding as soon after birth as possible.

4. Check your cows and calves frequently.

5. Separate the cows and heifers at calving time.

Apparently no single treat-

ment can cure calf scours or diarrhea. The best treatment combines good management, early detection and early treatment with an oral antibiotic to which bacteria are sensitive. Virus, if involved, do not respond to anti-biotics but must be fought off by the calf itself.

A vaccine is being developed in the U.S.A. to protect against one of the viruses causing scours. It has not, as yet, been released for use.

With good management, ensure the calving pens and grounds are thoroughly cleaned each year. Disinfect the premises and use lime. Expose the areas to the summer sun. This will reduce the bacteria and virus.

If the calf is real sick and dehydrated then it should be treated by a vet. One of the anti-biotics to use is Nitrofurantoin. Additional things one can do is to give the calf capsules containing units of Vitamin A.

In any case make sure calves get colostrum (first milk) within two hours after birth.

15530 - 111 AVE 489-8605

It's John Deere Weekend Freedom Time!

Attend our

OPEN HOUSE DURING THE MONTH OF MAY

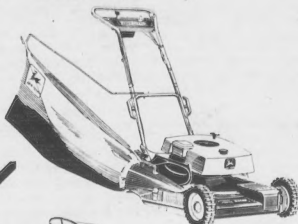

Lawn and Garden Tractors

There's a John Deere Lawn and Garden Tractor in a size and price range that matches the job you want it to do and your pocketbook. Select a 7-, 8-, 10-, 12-, or 14-horsepower model. See them at our Open House. Ask us about parts, service, warranty and finance plan.

Edger-Trimmer

New John Deere Edger-Trimmers take the hard work out of edging along sidewalks and drives, trimming under low-hanging bushes and shrubs. With a 2- or 3-hp Edger-Trimmer you give your yard that "professional" look.

Electric Rider

Super-quiet Electric Rider makes lawn care easier. No spark plugs, oil or oil filters to change. No tuneups required. No fuel to mix or store. Just switch it on and go. Plug it into any household outlet and charge the batteries overnight. Mows about 1½ acres per charge.

Bicycle

Make friends with your world on a John Deere Bicycle. Sporty 10-Speeds, 5-Speeds with "universal" frame for men or women, 3-Speeds in famous John Deere green. And popular 20-inch high-rise models for boys and girls.

Portable Washers make tough cleaning jobs fast and easy!

Blast dirt, grease, and grime with a John Deere Portable High-Pressure Washer. Degrease driveways, engines, window fans, and barbecue grills... John Deere equipment of all kinds at home or on the job. John Deere A18 washer with 500-550 psi at the nozzle knocks accumulated grime off storms and screens, masonry, building exteriors. Scours swimming pools, patios. Wash, rinse, even spray wax! Just hook up hose and plug unit into 115-volt outlet. Removable 2½ gallon detergent-concentrate container meters cleaning agents into water. For fast and easy cleaning, stop in and see the versatile A18. Priced at \$9.00. Tackle even bigger cleaning chores with "big brother" units: A25 (700-750 psi at nozzle) or A40 (1000-1100 psi at nozzle).

Rotary Tillers really dig gardening

When it comes to gardening, a new John Deere Rotary Tiller can dig you out from under a lot of work. Choose from two hard-charging models, the 3½-hp 324 or the 5-hp 524. Each has a wide range of tilling widths. See them at our store soon.

Chain Saws

"Chained lightning" Chain Saws make any job the easiest you ever saw. Select either the new No. 7 Electric or from 5 gas-powered models.
